# Life Annuity Bonds

You can secure a life income above prevailing rates and at the same time help the Kingdom of God by purchasing a Life Annuity Bond from the Board of Conference Claimants of the Methodist Episcopal Church.

#### A Guaranteed Life Income

Christians with money are prayerfully asking, "What can I do to make sure of an income for life, and at the same time make my money eternally useful?" It can be done. The Board of Conference Claimants can help you realize this and will coöperate with you to make your money fulfill a double purpose: To provide a safe income for life, and to help a good cause.

## Annuity Bonds are Perfectly Safe

Because the principal remains intact. Only the income is used, while you live, to pay your annuity either annually, semi-annually, or quarterly. Every dollar paid for Annuities is safely invested in a permanent Fund, and will bring a perpetual income for the aged ministers.

## Unique and Perpetual Investments

The program of the Board adapts itself to the Life Annuity plan better than most organizations, because the Permanent Funds of the Board are a perpetual investment. The money is not invested in properties, but only in the most approved securities. This makes the money absolutely secure and very few organizations invest the money committed to them in perpetual investments.

### Your Money Becomes Immortal

Life Annuity Bonds pay high rates and serve the double purpose of helping the giver and the Veterans of the Cross, widows and orphans. The money thus invested is like a living stream. The overflow will enrich your life while on earth, and when you are in Heaven, the overflow will constantly quench the thirst of the Veterans. By purchasing Life Annuity Bonds from the Board of Conference Claimants of the Methodist Episcopal Church, you help yourself and your money becomes immortal. This is a Christ-like act.

#### A Guaranteed Income

Can be secured for either yourself, your family, or some friend.

Make all inquiries of Rev. Joseph B. Hingeley, D.D., 820 Garland

# Reports of District Superintendents

#### ABERDEEN DISTRICT

Dear Bishop and Brethren:

In bringing to you my second annual report I wish to acknowledge the kindly Providence that has led us through the year and made possible the things spoken of as coming to pass. Not all our plans have been realized; not all that should have been done has been done; but some things in the interests of the Kingdom of God, and for the strengthening of the Church we love have been accomplished, for which we rejoice and face confidently the future.

#### Personnel

Thirty-six men received appointment on the Aberdeen District at the last session of the Conference. Thirty-one continued throughout the year at the places assigned them, and on five fields changes have taken place.

Rev. O. W. Taylor of Aberdeen, after a successful pastorate of five years, was transferred to the Wisconsin Conference. Rev. Gilbert Stansell of the Northern Minnesota Conference was transferred by Bishop Mitchell and placed in charge of this important center of Methodism, where he is endearing himself to the entire constituency of the church and is increasing in favor, I trust with God, as he is increasing in favor with the people. We welcome him to the fellowship of the Dakota Conference.

Rev. A. C. MacLean was released from the pastorate at Britton and placed in charge of our church at Alexandria. We have been fortunate in securing Rev. C. W. Rogers of the Upper Iowa Conference to take charge of our work at Britton, where he has inspired the church with his optimistic leadership and is unanimously invited to return. We welcome him also to the fellowship of the Conference.

Rev. Albert Hartt, our valued pastor at Redfield, has been appointed Chaplain of the First South Dakota Cavalry Regiment by Governor Norbeck and is now at Fort Deming with the regiment. The Conference loses the services of a valued minister and the fellowship of a splendid brother, but we recognize the greatness of the field into which he has been called. Our prayers will go with him, and may God so strengthen him that he may strengthen the tempted and, if need be, comfort the dying. The pastors and friends of Chaplain Hartt, as a token of esteem and as an evidence of their interest in his work, have sent him a draft for \$100 to assist in purchasing necessary equipment.

Rev. Ernest Redmayne of Frederick left about the holidays for England with his motherless children to secure a home for them with relatives. He has been unable to secure passports for his return and a recent letter requests that he be granted the supernumerary relation.

Frederick has been supplied by Rev. B. S. Burkett and Prof. Brown of the Ellendale Normal.

Rev. J. W. Sweeney, our pastor at Westport, resigned after successfully serving that church for a year and four months. Frank Brokaw, local preacher at Claremont, and Chester Worden, one of our Dakota Wesleyan boys, cared for the work since the resignation of Brother Sweeney.

#### Ministers and Families

I cannot speak too highly of the splendid body of men who are serving the church and the Kingdom of God on the Aberdeen District. Every man deserves individual mention in this report. Highest commendation could be truthfully given to each one. I am fortunate and happy, indeed, to be associated with them in helping establish the Kingdom of our Lord. I hereby bear grateful testimony to their loyalty and coöperation and their uniform courtesy and consideration, their full measure of reward will not appear until He whom they serve, and whose they are, shall say, "well done." Worthy helpmates of these worthy men are in the parsonage homes and I am everlastingly indebted to them for the open hospitality that has been accorded me. These men and women are serving Christ and the Church, not for the bread that perisheth, but for the salvation of the lost and the strengthening of God's children in the most holy faith. Like their Lord, they have meat to eat of which no man knoweth, unless, likewise, he has been partaker in the feast. My prayer is often for them and theirs, they have helped me more than they will ever know and their sacrificial toil puts me often to shame. May God bless them and use them more and more for the honor of His name.

Three homes have been gladdened and enriched by the visit of the stork. Rev. and Mrs. Gilbert Stansell welcomed a boy, a namesake of his father. A new Grace has been added at the parsonage home at Sisseton, to the delight of Brother and Sister Ebert. At the home of Brother and Sister Gray a boy came to complete the family circle.

#### Ministerial Support

Other sections may have as loyal and appreciative laymen as the Aberdeen District, but I am convinced that no other section will excel in these qualities. After two years of generous increase in ministerial support, twenty quarterly conferences have voted advances for the next year, totaling a little over \$3,000. One other field, through readjustment, will add \$200 to the ministerial support, and if we add the increase in effect through a part of the year at Aberdeen, an increase of \$3,800 will be shared by ministers of the district during the coming year.

#### **Improvements**

An unusual experience in church building came to a fitting climax at Lemmon on May 6 when we dedicated our new \$2,500 church in this thriving western town. The material was paid for as it was hauled from the yard. The workmen were paid at the close of the week, and the building was carried forward in this way and had not \$150 been diverted for the purchase of a furnace all bills would have been paid at the time of completion.

Dr. Hoagland, who has proven his worth on many similar occasions, was with us for dedication Sunday, and after an inspiring sermon he appealed for funds to furnish the church, and \$600 was subscribed, enough to purchase pews, pulpit furniture, electric lights and help the Ladies' Aid pay for the piano that had been placed in the church.

At Andover the program of church improvement, started last fall by Pastor Layne and his people, was carried through. A fine new basement was put under the church and equipped for social activities and additional Sunday School room. Not content with remodeling the church, this energetic pastor and official board made an exchange of residence property, and we now have at Andover a well-equipped church and modern parsonage.

At Cresbard the church and parsonage property have been improved; the parsonage has been made fully modern and the church and parsonage painted.

At Aberdeen the church has been carpeted at the expense of \$1,200. Other items of improvement will bring the total to seventeen hundred. At Webster the basement of the church has been enlarged and finished for social activities.

Minor improvements, totaling twenty-two hundred dollars, have been made at Agar, Conde, Groton, Britton, Northville, Bristol, Bowdle, Ashton, Frankfort, Gettysburg and White Rock.

#### Debt Paying

A unique experience in debt paying was at Seneca, where a \$1,774 debt looked mountain high to the small group of folk who had the responsibility upon them. A year ago plans were made to pay the obligation, but never reached the serious stage. This spring two men, neither of whom are members of our church, made up their minds that as a matter of community welfare and to put the church where it could minister more efficiently the debt should be paid. Mr. Wells and Mr. Jenson, the men referred to, started a subscription list and secured sixteen one hundred dollar pledges and lesser amounts to a total of \$1,940, enough to pay the indebtedness and to install a new lighting system and purchase an organ. April 22 was a red-letter day with Pastor Strong and the friends at Seneca. At the morning service, after a sermon by the Superintendent, a statement by the chairman of the board of trustees, the old mortgage was burned while the congregation united in singing the doxology.

At Leola a troublesome debt of \$862 has been paid and our property here freed from incumbrance.

At Selby this year we made the first payment on a debt of \$5,500 that has been standing since the day of dedication. Seven hundred and fifty dollars was paid on the principal and interest paid to that date.

At Gettysburg \$400 has been paid on the debt and interest to January 1, 1918.

#### Pollock Church

The last notice of the Pollock appointment found in the Conference minutes is in the year book of 1908, where it appears with Herreid as the Herreid and Pollock charge. Since then we have had no services there and our church building has been unused. I have taken up the question of the sale of this property with the German Lutherans and arrangements have been made to sell the property to them for \$800. The money is on deposit with the State Bank at Pollock, and the Conference will be asked to authorize this sale and instruct the Conference Board of Trustees to transfer the property.

#### New Fields

To the west of Aberdeen the district stretches out for two hundred miles until it reaches its western limit at Lemmon. In this vast section, thousands of square miles in extent, are many Methodist reared and trained folk and they are asking that Methodism be true to its history and the commission given it, and that we match the heroism and hardihood of the settler with the heroism and hardihood of the messengers of the King. Unless Methodism has lost something of its passion for conquest and its young men and women something of heroic element of service, these great open prairies will call with compelling voice, "Come over and help us." In a territory between eight and ten thousand square miles in extent J. N. Oakley has been our sole representative, where he traveled over three hundred miles for one round trip of his circuit. I trust that in the near future two others will join him on this western battle line.

At Faith, which is the terminus of the Mobridge-Faith line of the C. M. & St. P., there has been a federated church under the supervision of the Presbyterians. The federation has not been a success and Pastor Davis and Superintendent Butts of the Presbyterian church advised the people to become identified with some denominational body, preferably, of course, the Presbyterian; but agreeing that if the federation dissolved and voted to organize a Methodist church they would recommend to the Presbyterian board that the property, consisting of a church, 26x34 feet, and a two-story parsonage, 24x28 feet, should be turned over to the Methodists on the payment of \$1,200, the amount put into the property by the Presbyterian Board of Home Missions. After consulting Bishop Mitchell, I wrote our Methodist friends that if the federation was dissolved and a Methodist church organized we would find money to take over the property. Since that time the congregation met and voted to dissolve the federation and organize a Methodist church. A board of trustees has been appointed and articles of incorporation taken out, and the transfer of the property will soon be effected. Faith has a population of four hundred and is the distributing center for thirty-two inland towns. People come here from a distance of sixty miles to trade. With the only English-speaking Protestant church in the community, we have a large opportunity for service.

#### Mound City and Herreid

Another new field for the coming year is at Mound City and Herreid. Mound City has been an appointment on the Selby charge, but this year Herreid, seven miles north of Mound City, desires that English-speaking services be established in their town, and in union with Mound City are asking the Conference to put Mound City and Herreid on the list of appointments and send them a minister.

## Conventions and Institutes

Our district conference met at Redfield on April 23 and 24 and was followed by a joint Sunday School institute of the Aberdeen and Watertown Districts under the direction of our Sunday School Board with Mr. H. C. Wilson, Mr. A. A. Brown, and Mrs. Morehouse as the experts in charge. Our district conference was opened with an evening session and Rev. Gilbert Stansell of the Aberdeen church preached a stirring sermon and called ministers and laymen to be true to the fundamental truths of our holy religion. The sessions on Tuesday morning were largely taken up with the business interests of the district. On Tuesday afternoon and evening and on Wednesday forenoon and afternoon a large representation of ministers and laymen from the two districts listened to as fine Sunday School instruction as has been our privilege to hear. Ministers and laymen were enthusiastic in praise of the institute.

# Epworth League Convention

The district Epworth League Convention at Northville was a decided success both as to attendance and program. Seventy-one delegates were in attendance from outside Northville and with the fine support given by the local League every service was well attended. President Schermerhorn of the Dakota Wesleyan, Rev. Gilbert Stansell of Aberdeen, and Rev. A. E. Buriff of Milbank were the special speakers who instructed and inspired our young people. Part of the program was in the hands of the Leaguers and excellent papers were presented by the young people. One of the concrete things to result from the convention was an offering of \$60 for the work of Rev. Harry Weak, one of our Dakota Wesleyan representatives in India.

#### Evangelism

No organization can long endure which does not gather to itself new recruits, and no organization will commend itself to people which does not grow stronger with the advancing year. This is true of the church and when the church ceases to sound the Evangelistic note or neglects the definite Evangelic program it neglects the agency that has added thousands to its membership and multiplied its strength. The gospel, as God's message to sinful men, has been urged by precept and, as far as in me lies, by example on the men and churches of the district. It has been my great privilege to see about a score of penitents at the altar of the church as I have held the regular quarterly meetings. Nothing in my work has given me greater joy than this evidence of God's presence.

The pastors have been abundant in labors and for the most part have conducted their own special meetings, in some places alone, and at others with the assistance of neighboring brethren. Special evangelists assisted Brothers Rich at Bath, Habgood at Mellette, Parrott at White Rock, Ebert at Sisseton and Shearer at Doland, where good results were obtained.

At Groton a union meeting of the Methodist, Presbyterian and Evangelical churches stirred the community. Our Methodist people shared largely in the labor and also in the results of the campaign. The

pastors held meetings at Aberdeen, Agar, Andover, Bowdle, Claremont, Corona, Cresbard; De Voe, Frankfort, Frederick, Hecla, Langford, Northville, Seneca, Waubay, Webster and Westport. Four hundred and thirty conversions were reported, three hundred and fifty baptisms and four hundred and seventy-one accessions.

## Benevolences

Many appeals have been before the people as the result of war conditions and there has been generous response to the canvass that has reached practically the entire communities. After the large sums that were collected one began to wonder what would be the result on church benevolences. From the reports that have come in it looks as though it would be a banner year. Nineteen charges have reported that every benevolence will be in full. Others have reported increase in the collections, and no charge, I think, will fail to bring a substantial offering.

#### Women's Work

Red Cross activities have made heavy demands on the time and strength of our women, but the work of the church has not been neglected. The Ladies' Aid societies and the Missionary societies have gathered amounts that are surprisingly large and they are laboring with a zeal and devotion that is unequaled.

For whatever measure of success that has attended the work of the year, I thank God; for its failures I ask forgiveness and the charity of my brethren. I am grateful for a place in our Methodist brother-hood and a share in making known the Name that is above every name, and pledge anew my loyalty and service to Him who loved us and gave Himself for us.

PIERCE O. BUNT.

## MITCHELL DISTRICT

Dear Bishop and Brethren:

We are compelled to report that the shadows have fallen upon some of our parsonage homes. In some cases members of the pastor's family have been severely afflicted, and into some of our families death has been permitted to enter. In the list of the members of our Conference who have been promoted from the Church militant to the Church triumphant are the names of two from the Mitchell District this year and two of our pastors' wives. Rev. A. E. Tanner, one of our veterans, died at his home in Mitchell early in the Conference year. Rev. W. T. Ferguson, pastor at Mt. Vernon, after an illness of several months joined the innumerable company April 22.

Mrs. J. S. Hoagland, after being confined to her home for two months, quietly left us one morning to be with her Lord.

Mrs. John Kaye, after an illness of less than a week, quietly bade her loved ones farewell, and entered into rest.

Joy Shurtleff, early in January, was transplanted to blossom in the better world.

Rev. and Mrs. W. O. Redfield, Mrs. W. T. Ferguson and Rev. W. T. Wilbur have had hospital experiences, all have made good recoveries.

To follow such a man as my predecessor, Dr. W. S. Shepherd, who had devoted himself untiringly to the work of the District, and by the strength of his ministry and genial brotherly love and Christian manhood, had so greatly endeared himself to the District was no small task. I am greatly indebted to him for his valuable assistance rendered during the year.

Notwithstanding the loss occasioned by his going I have to acknowledge my gratitude to the brethren, both of the ministry and laity for

their hearty cooperation and many kindnesses.

Immediately after Conference it seemed necessary to make some adjustments. The Rev. W. E. Gale was appointed to Artesian, and Rev. S. F. Spitz to Lane and Viola. Later Rev. H. D. Seastrand went to Bruce and Rev. K. P. Kilbourn of the Nebraska Conference was secured for Gregory. Rev. T. C. Coombs drifted away from Winner, leaving the people in great sorrow and distress. Rev. W. F. Mether was secured to fill the vacancy. Rev. T. S. Bassett returned to his old Conference in Iowa, and Rev. A. C. MacLean was appointed to Alexandria. The wisdom of this appointment is evident as he is invited to return at a salary of eighteen hundred (\$1,800) dollars. Rev. W. A. Godsave came from Evanston to Mt. Vernon supplying the work made vacant by the death of Rev. W. T. Ferguson. Rev. J. W. Lucas, to make residence on his farm, was transferred to the Rapid City District, and Rev. A. E. Elson was appointed to Springfield, where he has done good work.

All of the other appointments have remained as made at Conference, and in every instance the pastors have labored most faithfully to build

up the Kingdom and serve the community needs.

# Church Building and Improvements

The Fairview Church, which was moved from Riverside, was formally opened on November 12. This is a substantial property located in a

splendid community and offers a large field for service.

On November 25 the Alpena Church was reopened, having undergone extensive repairs—an addition to the church and a basement fully equipped. This gives Alpena a church building adequate to the needs of the community and growing congregation. The pastor, Rev. R. B. Hughes, to whom great credit is due for this achievement, was ably assisted by Dr. Hoagland and Rev. Bruce on the day of reopening.

On December 2 the Paxton Church was dedicated by Bishop Chas. B. Mitchell. This is a modest little church on the Rosebud, possibly the smallest a Methodist Bishop ever dedicated, but it ministers to a large community of loyal people. The day was ideal and a good congregation greeted the Bishop. His splendid sermon and sacrifice of time and strength in the midst of arduous tasks were greatly appreciated, and as a mark of our appreciation we extend to him a most cordial invitation to return to the Rosebud of his area and see how it has blossomed as a result of his former visit. The Bishop lectured at Dallas Saturday evening and preached to a large audience at Gregory on Sunday evening.

The church at Lakeview was dedicated Easter Sunday, more than enough money was secured to meet all obligations. A new piano has recently been purchased. The Rev. J. T. Gurney is the efficient and

much loved pastor.

The Gregory Church has put in a full basement and built a splendid addition at a cost of three thousand (\$3,000) dollars.

At Fairmont, on the same charge, a new church is being built with full basement at a cost of twenty-five hundred (\$2,500) dollars. The Rev. K. P. Kilbourn is the pastor who has led the people in this work and is invited to return at a salary of fifteen hundred (\$1,500) dollars. Salary last year was eight hundred (\$800) dollars. This church has a new system of finance introduced by Wm. Ford, (no relation to Henry) by which subscriptions are taken in bank checks dated the first of each month.

The church at Fairfax is being moved to St. Charles and a full basement installed.

Cuthbert is building a new church, a monument to the devotion and sacrifice and faith of the pastor, Rev. W. N. Potter.

A new church will be built at Burke, the county seat of Gregory. This is a new field into which we entered by invitation this year. A church was organized by Rev. A. L. Wilson, funds are on hand to give a good support to a resident pastor and we have promise of the best church building on the Rosebud.

A new parsonage has been built at Winner, making this one of the greatest opportunities of the Conference, a most inviting field full of promise for great things.

A parsonage has been built at Farwell where we now have a resident pastor ministering to a country church in the midst of a prosperous farming community of American people.

The parsonage at Geddes has been enlarged and made modern under the leadership of their popular pastor, Rev. C. S. Lyles, who is invited back at a salary of Fifteen Hundred (\$1,500) dollars.

The Tyndall church has been tastefully decorated and a new furnace installed. Improvements on church property have been made at Mitchell, Chamberlain, Plankinton, Alexandria, Armour, Rockcreek, Ethan, Kimball and Platte.

Armour and Rockcreek have cancelled their debts.

## Evangelism

The preëminent aim of the church of Jesus Christ must always be Evangelism. Any emphasis, ancient or modern, which is contrary to the spirit of this statement fails to do justice to the teachings of Jesus and His apostles. It matters not how much of material and financial advancement has been secured, the real test of Church movements must be determined according to spiritual achievements that have been obtained. If we lose religiously we will soon have a decadent church on our hands, and as soon as decay sets in death is not far removed. We must have a living, vital, progressive, productive, evangelistic church.

We need new demonstrations in each community that the Gospel of Jesus Christ is the power of God unto the salvation of every one that believeth, no matter how hardened his condition may be, new demonstrations of the power of the Holy Spirit, showing that he is just as able to shake mightily whole communities to-day as in the days of Peter and John, new demonstrations that the Word of God is the Word of God,

that it has dynamic power, that its truth sets men free, new demonstrations that prayer is still able to remove mountains and that faith is the victory that overcomes the world. Such efforts have been made at Mitchell, Woonsocket, Plankinton, Lane, Winner, Dallas, Colome, Gregory, Herrick, St. Charles, Paxton, Platte, Chamberlain, White Lake, Roswell, Rockcreek, Farwell, Wagner and Wessington Springs with varied and rather meager results.

## Sunday School and League Work

With due regard and consideration for all other agencies it can with truth be said that these are agencies best equipped of all for the Christian conquest. They have not only quantity but quality. The largest Sunday School and Epworth League of the state are to be found on this district. Some League Chapters are doing good work but the district needs to be reorganized. The Sunday Schools are doing efficient work. Our own supplies are being used and the schools are being standardized. The Sunday School Institute, held under the efficient leaders sent by the Sunday School Board, was thoroughly enjoyed and proved very profitable to those in attendance.

## Women's Societies

The Woman's Home, and Woman's Foreign Missionary Societies are most valuable factors in our work, auxiliaries are organized in many charges.

The Society of King's Heralds of the Mitchell church is the banner society of the Minneapolis Branch. These women in their work have the vision of world service, too many of our churches are purely local in the view of the kingdom.

The Ladies' Aid Societies abound in good works and it is difficult to see how we could do without their assistance.

#### The Country Church

A grave danger confronts us in conditions to-day which seriously affect the little country church. The increasing disposition on the part of Christian people to convert the Sabbath into a day of pleasure and recreation, made easy by modern methods of transportation, imperil the very foundations of the Christian church.

The new country church must be rurally socialized, must have a spiritual vision for its country flock, must possess adequate physical equipment, must teach in terms of farm experience and, most important of all, it must be supplied with a specially trained leadership. The country church must furnish the moral dynamic to community progress. If the church does not furnish this, there will be little or no progress toward a better or more satisfying life in the country. True and permanent development in the life of the country depends, in the last analysis, upon a Christian people on the soil of America. The rank and file of the men and women, who to-morrow will mold the world's thought and turn the wheels of progress onward, are to be found to-day on the farms. These country appointments need the contact, acquaintance and fellowship, growing out of mutual dependence, of common

interest, of united endeavor. Such a movement provides an exceptional opportunity to enlist our laymen in a great work commensurate with their ability.

#### Benevolences

The benevolences have been presented and the claims urged on every charge, and while large sums have been contributed to the Red Cross, Y. M. C. A. and War Relief work, the showing this year promises a marked increase along all lines, on all charges. Platte, White Lake, Mt. Vernon, Farwell and Fulton, Wessington Springs and Mitchell are on the Honor Roll. The Conference is indebted to Mr. and Mrs. Frank Crowell, formerly of Plankinton, now of Michigan, who gave to us this year an estate note and will for one hundred thousand (\$100,000) dollars for the Conference Claimants' Endowment Fund.

## Dakota Wesleyan

Dakota Wesleyan had a profitable year. Harmony has prevailed between the faculty and student body. The work of the Y. M. C. A. and Y. W. C. A. is said to have been of the highest grade. The contribution made by the faculty and students to the War Relief Fund was over eighteen hundred (\$1,800) dollars, the largest contribution made by any college of equal size. Two hundred (\$200) dollars was also contributed for a library fund for the army.

Great credit is due Dr. C. V. Gilliland, acting president, for his capable and wise administration. The work of the new year starts favorably, with a good attendance considering the heavy draft made on our boys for the army. Dakota Wesleyan has done her bit.

The Officers' Training Camp at Fort Snelling took a number of former Wesleyan leaders. In the first school one received a Captain's commission and two Second Lieutenant's. At the second school, now in session, Wesleyan is represented by eight men. Two received Captain's commissions as a result of their work on the border and are now in France.

Company F has claimed two sergeants, one corporal and three privates. Troop E, two sergeants, one corporal and seven privates. Two are in the navy and one in the aerial service. Others are represented in different companies. Carl Harvey, one of our preachers, waived all claim of exemption and answered last week to the draft. Three of our parsonage homes have given their sons: William Kaye, Paul Darling, Willis Egner, Alfred B. Notson and Ira L. Jones. The Mitchell church gave forty-five of her boys. May God protect them and bring them back again.

It is said that "distance lends enchantment to the view," but after a year's acquaintance with Dakota Wesleyan at close range I must admit it has won my heart. I have traveled over the state somewhat and when I meet the splendid type of young manhood and womanhood who have gone out from Dakota Wesleyan I am proud of her record. The future is bright with promise; we believe that God has given to us in Dr. W. Schermerhorn the man for the place. He is assisted in his work by a splendid faculty of Christian men and women. Let us give them our loyal support and boost for a larger and greater Wesleyan. Here are the types out of which conquerors are always made. Here you find

the abandon, the courage, the imagination essential to high achievement. It is the age of vision and dream. The tasks of the world have been wrought out through youth, the wars of the world have been fought by boys in, or barely out, of their teens. If we are faithful to the duty and privilege of this hour and this day, the time will not be far distant when we will have trained up and sent out into the world a generation of high-souled, stout-hearted, generous young folk, who will girdle the world with a song of gladness; they will walk across it with the step of conquest; they will lift it up in the arms of their faith, love and prayer, swing it in its divinely appointed orbit and ultimately "bind it with chains of gold about the feet of God."

# Hospital

The Methodist State Hospital is nearing completion and within a few months will swing open its doors in its ministry of healing. Every Methodist of the state will have cause to be justly proud of this great institution. It is a substantial modern fireproof building, located west of the college grounds, on a commanding site overlooking the city.

It is difficult to estimate the valuable services of the Executive Secretary, Dr. G. T. Notson, in his work in connection with this great enterprise. He has thoroughly posted himself in all the details of hospital building and equipment. He should have the most loyal support of the entire Conference in his effort to secure the needed funds to complete and equip this building. Who can estimate the value this institution is to be to suffering humanity in years to come?

In attempting to sum up the work of the district during this Conference year, I know that any estimate I can make will fall far short of describing the real accomplishments. Here are efforts, the worth of which we cannot calculate, splendid achievements of character, and broad, deep currents of rich spiritual truth bearing forward triumphantly which I cannot measure. There is much that might be said of efforts and sacrifices and uncomplaining loyalty on the part of men who have had hard fields and plenty of discouragements and yet have gone forward unflinchingly in the prosecution of the work committed to their hands. The heroes are not all in the trenches. Only in the records of Him who knoweth all things can the true estimate of their significance and worth be found.

JAS. S. HARKNESS.

## RAPID CITY DISTRICT

Dear Bishop and Brethren:

In presenting my fourth annual report to the Dakota Conference I would record my deepest gratitude and thankfulness to God for His preserving care and sustaining grace; and to my brethren of the ministry and laity for the fine spirit of coöperation in the things of the Kingdom and the church we love.

#### Personal Notation

With the exception of the Rev. G. T. Mathews, who received a nominal appointment at Piedmont and later entered the ministry of the Congre-

gational church, the twenty-five pastors appointed by Bishop Mitchell, at Watertown to Rapid City District, went cheerfully to the work.

In February, because of complications arising on the circuit, the pastor, the Rev. H. L. Williams, was permanently relieved of Presho and Crane schoolhouse, but continued for the year at Vivian.

The Rev. Garner Osborn, a probationer in the Northwest Iowa Conference, came with his bride to the pastorate at Presho. They are most highly regarded by the church and citizens.

We secured Rev. J. W. Weston, a local preacher in our church, as supply for a short time at Terry in early winter, but they have since been without regular peaching.

In July A. W. Ownby, serving as supply at Sturgis, left that pastorate and the state under considerable of a cloud. His estimable family remains at Sturgis.

The Rev. G. C. Ralston, a young man from Kansas, came with wife to take the pastorate at Sturgis. God has been with them and abundant evidences appear of their acceptability among the good people of Sturgis.

The Rev. J. W. Lucas, member of this Conference, who has been occupying his farm on this district for several months, has rendered most satisfactory service, supplying, as the district superintendent had need, both at Piedmont and Sturgis.

The Rev. S. M. Davis, one of our local preachers, an elderly man, finding that both the Methodists and Congregationalists had discontinued all services at Keystone, moved to that village, revived a Sunday School and started a vigorous campaign along all moral and religious lines. The people wish him to continue for the coming year.

The brothers, C. E. and S. C. Cadle, with the consent of the District Superintendent and their respective quarterly conferences at Newall, Wal! and Quinn, returned to Asbury College early in September to resume their studies. These churches have had no pastors since.

Because of serious ill health our beloved brother, Dr. C. E. Hager, was obliged to discontinue his pastorate at Kennebec in early winter, and with Mrs. Hager seek a more congenial climate in Florida. He returned to his work in early spring much improved, but is still far from being in good health. The devoted parishioners during his absence supplied the pulpit largely from among their own members. Nothing is too good for them to do for their pastor and his wife.

## Improvements—Debts

One year ago we reported that our people at Ottumwa, an interior point eighteen miles from railway, had sold the store building used as a church and that the pastor, the Rev. C. M. Weirauch, was busy securing funds for a new church. On August 5 the dedication took place of a beautiful little church, size 24x36 feet, and costing about \$1,400. The pastor and District Superintendent held morning and afternoon services, received in cash and good subscriptions the \$500 needed to complete the building charges, and amid general rejoicing, in the name of Christ and Methodism, dedicated the fine little house to the worship of Almighty God. Brother Weirauch has done good work, the people are united, and the future is full of promise.

At Camp Crook, county seat of Harding county, in May we took over the Baptist Church, agreeing to pay the Baptist Church Extension Society \$600, which they accept in full settlement of their claim.

The Rev. A. G. Campbell, our pastor at Harding, has already taken possession, organized a flourishing Sunday School, Epworth League and general work. We shall ask our Church Extension Society for \$200, and expect to raise the balance from the field. This is the only Protestant church in the community and is easily worth \$1,800.

At Draper the pastor, the Rev. B. I. Hubbard, has led his trustees in the purchase of a good parsonage property costing \$1,150. We have possession, have made the initial payment of \$150 and the canvass is on to complete the payments.

We are happy to report a new parsonage at Reliance, valued at \$1,600. The pastor and wife have moved in and are "at home" to their numerous parishioners. Brother McFarland and his Board of Trustees have labored faithfully and are rejoicing together.

At Presho, where it was becoming increasingly difficult to rent suitable houses, our trustees, under the leadership of the pastor, the Rev. Garner Osborn, have purchased an excellent parsonage at \$1,300. Of this amount \$650 has been paid, the balance will be carried for the present.

We have sold one of our two church properties at Wall for \$1,000 cash and are completing plans for the building of a new parsonage. This congregation was served by our pastor from Quinn last year, but are asking for a minister to live at Wall the coming year.

At White River, county seat of Mellett county, there was a large movement last spring looking to the resumption of Methodist services. They called Brother H. W. Bunton, pastor at Murdo, to advise with them. He found they had elected trustees and stewards, organized a Methodist Episcopal Sunday School with about fifty members, changed the Ladies' Aid into a Methodist society. When they called the District Superintendent for quarterly conference, he found thirty-eight charter members of the Methodist Episcopal church and that they had secured lots for a new church. Since that they have purchased a small house for parsonage, and all this without an appointed minister. I have secured a young man from California for their pastor for the coming year. Himself and wife are at the seat of this Conference. May God grant great grace to pastor and people at White River.

Other items of improvements and debts paid are grouped together as follows: Belle Fourche, \$134; Creston, \$122; Custer, \$150; Deadwood, \$706; Edgemont, \$43; Harding, \$50; Hot Springs, \$35; Kennebec, \$303; Lead, \$657; Midland, \$350; Murdo, \$750; Newell, \$319; Oelrichs, \$35; Oral, \$154; Philip, \$124; Quinn, \$40; Spearfish, \$120; Sturgis, \$12.

## The Societies

Much educational and inspirational help was realized by securing the splendidly efficient company of workers sent to us by our Board of Sunday Schools, Chicago. The Rev. Drs. Arlo A. Brown, Harry C. Wilson, and Mrs. Morehouse gave us a week, holding Sub-District Institutes at Deadwood, Rapid City, Hot Springs and Murdo. The institutes were followed at once by successful efforts at further organ-

ization, looking to greater efficiency in every department of the Sunday Schools. Sunday School enrollment is increasing.

Under the leadership of the District President, the Rev. F. E. Morrison—who is a past master of the art—Epworth League conventions were held at Sturgis and Murdo. Dr. Wm. D. Schermerhorn, President of Dakota Wesleyan, gave us large help at Sturgis. Dr. Schermerhorn won with us. He has the right spirit and ideals for our young people. Let our pastors pay good heed to the children and young people of the Sunday School and Epworth League, for they are, as always, the hope of the future. To fail here is to fail as a desirable minister of the Methodist church.

We have a few Junior Leagues doing good work. Some of our pastors have organized "Classes for Religious Instruction" instead. It takes consecrated talent to carry these classes, but results are happy.

The Woman's Home and Foreign Missionary Societies have held no district gatherings this year, but the local work has been well maintained. Plans are maturing for larger things next year.

The Ladies' Aid societies have more than met our expectations this year. In the churches large and small they are the centers of strength, not only financially but to a marked degree, socially and religiously.

#### Benevolences

Last year the aggregate was considerably above any year of the last five, and this year will mark a further advance. We are still troubled by having other matters crowd our benevolent collections down toward the end of the year, which always spells loss.

## The Hospital

Marked advance will be noted in the hospital report over any previous year. The demands for increased equipment and facilities to meet the increasing requirements for service often test our faith, while it rejoices our hearts.

Last year we treated 460 patients, this year 740, of which 633 were operative. Earnings last year, \$13,354, this year \$24,000. Complimentary free and discount cases were: For our ministers' families, twenty weeks and three days, and including fourteen persons. Value, \$667. Ministers of other denominations, \$498. Discount cases, \$435. Free work, \$784. Total, \$2,656.

Child births, 37. Last year we had 11 nurses in training, now 18. Invoiced value of hospital and furnishings, \$34,800. An ideal nurses' home has been purchased at \$7,100. Other resources are \$5,000. A total of more than \$46,000. This does not include more than \$12,000 subscriptions outstanding.

These statistics are suggestive and illuminating, but they cannot tell the story of the consecration, prayer and personal effort of our devoted Superintendent, Miss Elva L. Wade, and her corps of nurses. We have introduced the eight-hour system with marked success. The Rev. W. E. Hartung, our genial field secretary, has won hosts of friends to our institution, besides the thousands of dollars secured.

## Moral and Religious

Revival services were planned by nearly every minister, but while the meetings were usually held, the severe winter weather greatly interfered with attendance and results, particularly in the thinly-settled communities. However, the careful gleanings by the pastors resulted in conversions, or accessions to equal or exceed last year, and are reported as follows: Belle Fourche, 20; Fairburn, 3; Custer, 4; Deadwood, 24; Draper, 19; Hot Springs, 30; Kennebec, 12; Lead, 25; Midland, 16; Murdo, 50; Nowlin, 16; Oral, 6; Philip, 20; Presho, 10; Rapid City, 53; Reliance, ...; Spearfish, 30; White River, 38.

Bishop, the faithful and patient work of the brethren of Rapid City District, deserve a richer eulogy and better record than these few lines, but I am fully persuaded that such is kept—and higher—undimmed by the dust of earthly conflict, by the One who some day shall say, "Well done, good and faithful . . . enter into the joys of thy Lord."

## Ministers' Families

Our parsonage families have been blessed with good health usually. No deaths have occurred. Rev. L. F. Gillespie, Mrs. Gillespie and son have taken treatment at the hospital, as did the son and daughter of Rev. and Mrs. Ownby. Rev. P. H. Weston and daughter have had minor operations. Also Mrs. R. J. Eling, the wife of our pastor at Philip. Mrs. Weirauch, wife of Rev. C. M. Weirauch, and Mrs. Hartley, wife of Rev. J. W. Hartley, submitted to very serious operations. Both are making good recoveries. A beautiful little girl came to bless the home of Rev. and Mrs. B. I. Hubbard. Mrs. Hubbard received service at the hospital.

The aged mother of Brother H. L. Case, after weary months of waiting, was called to the beautiful country where the "inhabitants never say 'I am sick.'" Mrs. Matteson is now in Michigan, called by the fatal illness of her mother. Paul and Warren, sons of the Rev. J. W. and Mrs. Calfee, have "joined the colors," and the parsonage at Lead is lonely.

## Personal ·

Bishop Mitchell came to us May 9-11 to assist in the new church enterprise at Rapid City. He gave us two great addresses and did all his work well. The church is still a little in the future, but will materialize. Mrs. Mitchell accompanied her husband, to the delight of our people, and particularly of the ladies.

Bishop and brethren, I bring you greetings from the two of our retired "Soldiers of the Cross"—the Rev. R. C. McReynolds and Dr. C. B. Clark. Brother McReynolds has been doing a little work, but later in the year has been very ill. Dr. Clark in manhood's vigor was the "silver-tongued," but in age cheerful, patient, hopeful, confident—his is the "heart of gold."

In this year I have traveled nearly 15,000 miles, have missed no appointment because of illness, and only two Sabbath dates because of snow blockade. I have preached the gospel to the best of my ability, and trust I have assisted some into the Kingdom.

God has been good to me and mine. I am debtor, forever, to pastors and people for unfailing kindness. Respectfully submitted,

C. E. MATTESON.

## SIOUX FALLS DISTRICT

Dear Bishop Mitchell and Brethren of the Dakota Conference:

Sioux Falls District, the garden spot of the world, has completed another year of very creditable work as we believe the reports to this Conference will show.

## **Appointments**

Only three readjustments have been made as to pastors during the year—on November 9 Brother C. E. McDonald, after a few days' illness, caused by blood poisoning, went away to be with God. A wife, son and a stricken church have mourned his going.

E. F. Kurtz, of Creston, Iowa, was then secured as pastor for the Montrose church and has proven himself to be a worthy successor to Brother McDonald.

N. A. Christiansen, of Egan, was in the winter ordered by his physician to seek a milder clime, and June first he exchanged fields with Brother B. H. Lewis, of Lake View, Oregon.

Junius was served by Henry Aude as a supply the first eight months of the year, when he stepped aside because of lack of financial support, and Brother Minish, of Madison, gave this point an afternoon service for the balance of the year. All other pastors have been at their posts throughout the year and have done faithful, conscientious work.

## Visible Results

The church and parsonage building and improvement campaign that has been on in this district for five years, and is still with us, has resulted in seven new churches erected at a cost of \$140,000; six new modern parsonages costing \$22,000; nine rebuilt churches at a cost of \$25,000; seven rebuilt and improved parsonages, \$3,500, or a total of \$190,000, making an average of \$38,000 a year for five years that this district has spent that proper plants for strong religious work might take the place of old, outworn buildings that hindered rather than helped the cause of Christ. Without a single exception every new church erected or modern parsonage built has marked the beginning of a strong forward movement, pastors' salaries have increased, larger congregations, more money for the great benevolent interests of the church, more people saved, and a general community interest in the church. striking instance of the truth of these statements can be found by a survey of the work at Irene. For many years Irene was an outpoint to the Wakonda charge, worshipping in a small church building of one room and struggling hard to raise \$200 for pastor's salary, and now in less than two years from the dedication of a \$9,000 church we have a membership of sixty-eight, a Bible School of close to one hundred persons each Sabbath; they pay \$1,000 for pastor's salary and are just now completing a fine parsonage costing \$3,000. Surely S. B. Lowrie, the pastor, is a wise, consecrated and able leader in the work of the church in this community. J. B. Dibble during a splendid pastorate of four years at Beresford has seen a \$17,000 church building erected, the same nearly paid for, salary increased to \$1,350 for next year, and this church become one of the strongest religious centers to-day in the Conference, a church in which eighty per cent of the Christian families observe family worship.

First Church, Sioux Falls, has added more than three hundred new members and increased the pastor's salary \$800 since the erection of their new building. The new East Side church proposition has been a bulb of slower development, but with such husbandmen as W. N. Deller, the former pastor, and S. E. Brown now on the field in charge, this bulb is gradually developing and ere long will bloom and there will be a great church on the East Side. Likewise Vilas, Volin and Ellis, with their new churches, are putting on new strength and are doing their bit toward helping to make this a very desirable district for both preachers and superintendent.

Colman is building a new church which will be ready for dedication, about December first and will represent an ideal building for a small town at a cost of about \$5,000.

C. H. Graf has had another splendid year at Hartford, salary \$1,500, membership increased, benevolences in full, and there is a unanimous demand for his return for the fifth year. In that same class of men who are both good preachers and good pastors walk: A. W. Thurston, of Canton; W. N. Deller, of Flandreau; W. P. Slocum, of Hurley; L. A. MacDonald, of Howard; Dr. Eugene Allen, of Sioux Falls; Nels Fanebust, of Parker, and S. E. Brown, of East Side, Sioux Falls. Other men who have done splendid work are: H. P. Eberhart, of Yankton; O. M. Freeman, of Valley Springs, Benclare, Rowena; C. W. Langdon, of Scotland, and F. H. Ray, of Salem.

Still others not yet mentioned who have had real success in their work this year are: H. W. Minish, of Madison; R. P. Harmon, of Hudson and Fairview; L. F. Brown, of Harrisburg, Prairie Grove and Shindler; H. E. Rice, of Gayville and Volin; I. P. Potter, of Garretson; G. N. Gage, of Elk Point; W. A. Black, of Dell Rapids; N. P. Johnson, of Davis; Frank Tanner, of Chester; O. P. Jackson, of Canistota, and D. C. Arms, our veteran local preacher, who has just completed his twenty-second year as pastor of Flandreau Circuit.

#### The Rural Church

One year ago we determined to take hold of the rural church problem in earnest on this district. We chose Pioneer, an unorganized point, with a union church building which up to that time had not paid more than \$200 for pastoral support, but which was situated in the midst of a large farming community, as the head of this new charge, with Mt. Zion, another country point paying \$300, as the second preaching place. W. S. Rowden was appointed to this field by Bishop Mitchell and he straightway took his family and settled in a farmhouse among his people at a distance of eight miles from the nearest town, and went to work. The Pioneer end of this charge supported in a splendid manner both morning and evening preaching services on the Sabbath, has had a Sunday School of one hundred members, has provided a home for the pastor and has paid \$900 on salary for the year, and next year desires to have a pastor devote all his time to this one great field. This seems to be an ideal field in which to build up a great work, and I would like to call the

attention of the Board of Home Missions and Church Extension to this great field of opportunity for real rural work, and Brother Rowden is an ideal man for pastor of this field.

## The Sunday School

The Sunday School work on the district is making rapid progress as to attendance and effectiveness. Our great need is well-trained teachers, and there is good promise now that this need will soon be met through the Teacher Training Class. Frank Thompson, an able layman, is now superintendent of this work on the district and is giving much of his time to the task, and many classes are being organized.

## The Epworth League .

The League work is in a healthy state on most charges. We note that there is a feeling abroad that this organization is for YOUNG people and that those who have had League training for some years are taking up other lines of work and are giving place in the League to the younger people, who in their turn need this training.

#### Benevolences

The multiplicity of calls for war purposes have in some measure interfered with the raising of our regular benevolences, yet we are confident there will be a good increase over last year for most causes. Dr. Eugene Allen, of First Church, Sioux Falls, will bring up \$600 more for benevolences this year than ever before given by this great church.

While the Episcopal fund fell short some two or three hundred dollars last year in the Conference, yet this district overpaid its apportionment to the amount of \$55, and we think we will do fully that well again this year.

#### Salaries

If there is to be a deficiency in any pastor's salary this year we have not yet heard of it and we sincerely hope there will be none.

There will be an increase of salary next year at the following points: Beresford, \$150; Colman, \$100; Colton, \$350; Howard, \$100; Hurley, \$200; Ellis, \$200; Madison, \$100; Pioneer, \$100; Salem, \$200; Scotland, \$100; Wakonda, \$200; Parker, \$100, and Hartford and Canton each \$100.

## Deaths

The death of Brother C. E. McDonald, of Montrose, was the first call of God for recruits from our parsonages this year. It has been a lonely year for Sister McDonald and her little son. May God comfort them as only God can comfort His people.

In February Sister L. F. Brown, wife of our pastor at Harrisburg, sweetly and trustingly said good-bye to her little daughter, her husband and her father and mother and went away with Heaven's messenger.

Mother D. C. Arms came with her husband to the Dakota prairies when this part of the world was young and railroads in South Dakota were unknown. They came in with ox teams and chose a spot for a home far out on the frontier. They have lived on that first selected

site all these years and have seen a great state develop about them. Their lives have been like the leaven of Christ in that community as they have gone up and down preaching the Word, ministering to the sick, and always busy about the work of God. Their children have risen up and call them blessed, and are prepared to carry forward the work father and mother have so well begun. Two nephews are preaching now in this state—one already a member of this Conference, the other knocking at the door.

In this country community Mother Arms lived and toiled and trusted and left upon others the sweet impress of her own beautiful life, as the wife of one of our great oldtime local preachers, and finished her work, and last June went on to God's greater country, not this time with an ox team, but we feel sure God sent one of the finest chariots of Heaven that without jolt or jar this mother might be brought home to rest awhile and there await the coming of her loved ones.

#### Births

We take pleasure in announcing the arrival of five brand new babies in the parsonage homes this year. A daughter at Scotland, with C. W. Langdon and wife as the happy parents. S. B. Lowrie and wife, of Irene, a new daughter, and the same can be reported of O. M. Rifenbark and wife, of Colton. H. C. Bacon, of Richland, and Fred Wilcox, of Centerville, rejoice that sons have arrived at their homes.

## Ladies' Aids

This organization continues to do a great and splendid work in connection with the churches of the district and after spending much money in the work they come to the close of the present year with \$3,000 in their treasuries.

## W. F. M. S.

The Woman's Foreign Missionary Society made a great record last year, but will, we think, have even a better report this year.

## W. H. M. S.

An auxiliary of the Woman's Home Missionary Society should be organized on every charge, and we can report considerable advance in this respect to date, with good prospects for the future.

#### District Camp Meeting

The best and most helpful meeting yet held is the verdict of the preachers and laymen who were in attendance this year. Dr. Harmon, of Salina, Kansas, and Dr. Nixon, of Saginaw, Michigan, were the leaders and the influence of their work will be felt throughout the district during all the coming year.

#### Revivals

More than the usual number of revival campaigns have been undertaken this year, but the storms of the winter season in most cases, and other causes in others, hindered the work and not many of them were very successful. The best results on the district this year were had on

fields where pastors themselves, or with the aid of brother pastors, held their own meetings.

#### War

Every parsonage home on the district that has a boy old enough to go to the defense of his country has seen that boy go, and we are asking that proper safeguards be thrown about these boys so that if it be the Lord's will that they return they may return true men, and if they give their lives for this great cause we may meet them in Heaven.

## Other Items

The saloon has gone from our midst, God be thanked, and even Sioux Falls is dry, and already business is rejoicing. The Sunday movies are still with us and greatly hinder the work of the church in very many places. We are hoping that very soon all churches of all denominations will rise up and demand that the church of the living God have a free field for one day each week. When the churches want it bad enough to ask for it in a definite manner they will get it.

## Finally

We have been happy in our work with our brother pastors, and with the churches during the year and have tried to do our best to help build strongly and permanently for the Kingdom of God. We knew when Conference closed last year that our churches on this district were, with very few exceptions, well manned, and we have had no reason to change our mind.

God bless this Conference and make it a still greater power in this state for good with each passing year.

Respectfully submitted,

G. W. ROSENBERRY.

#### WATERTOWN DISTRICT

Bishop Mitchell and Brethren:

With profound gratitude to the Giver of All Good for His unfailing mercies during the year now closing, and with highest appreciation of the manifold courtesies and kindnesses of the brethren, I submit to you my first annual report as Superintendent of the Watertown District. First of all, I wish to acknowledge my indebtedness to my worthy predecessor, the Rev. Orien E. Boyce, who turned the district over to me in tip-top shape, well manned and organized. It has been a joy to me to have Brother Boyce on one of the leading pastorates of the district during the year. His cordiality and brotherliness and the helpfulness of his suggestions have been greatly appreciated.

But two charges remained to be supplied at the close of the Conference one year ago, viz.: Elkton and White. Brother Deller, of Flandreau, has supplied at Eltkon Sunday afternoons during part of the year. If we can effect an exchange of fields with the Baptist people Elkton is ready to go over body and soul to this sister denomination. At White the pastor of the German Methodist Church supplied our work during

the year. The arrangement was not satisfactory and White now asks for a resident pastor at a salary of \$1,200 and house. Rev. G. W. Roberts, of De Smet, enlisted in the Canadian Ambulance Corps two months ago and is now in a training camp at Winnipeg. De Smet has had periodic attacks of discouragement and has talked of closing up, but the folks down there got busy and canvassed the community and now pledge a salary of \$1,200 and house for next year. Just watch De Smet next year. The people at Bruce were not satisfied with the services of a student pastor and at the close of the first quarter Rev. H. D. Seastrand was received from the Mitchell District and stationed at Bruce. So well has he served the charge that he is unanimously invited back at a good increase in salary. The latter part of February Bishop Mitchell transferred the Rev. F. F. Lewis from Watertown to Janesville, Wis., and the Rev. G. C. White, from Portland, Me., to the pastorate at Watertown.

## Parsonage Homes

We are happy to state that death has not entered a parsonage home this year. Brother H. D. Clark and Brother and Sister Stevenson had to submit to operations in the hospital. Brother Hargett sustained very severe injuries from a fall in midwinter that kept him out of his pulpit for several weeks. The district superintendent had a severe tussle with lagrippe that confined him to his home for several days in the early winter. While sickness invaded several parsonage homes we are pleased to report that at the present time all the pastors and their families are well and strong. Immediately after the adjournment of the last Conference Rev. G. A. Trodie, of Blunt, hurried away to Canada, where he was united in marriage to a capable consecrated young lady. Rev. M. E. Nickerson, an honored charter member of Dakota Conference, has moved to Oregon and requests that he be granted the retired relation.

#### Birth Roll

Three parsonage homes have been blessed during the year by the advent of little ones, viz.: the homes of Brother and Sister Boatman, of Clear Lake, Brother and Sister Ozanne, of Hazel, and Brother and Sister Allan, of Bradley.

## Evangelism

We have tried to emphasize Evangelistic effort and achievement as the supreme need of our churches. For the most part our pastors have manifested a real passion for the salvation of men, and some remarkably successful revivals have been held, notably at Tulare, Hitchcock, Pearl Creek, Henry, Garden City, Clark, Broadland, Huron, Clear Lake, Carleton, Woodland and Osceola. Special Passion Week services were held on a number of charges with goodly ingatherings on Easter Sabbath. We do not attempt to tabulate results, knowing the peril of undertaking to count conversions. We deplore this spectacular display on the part of some professional Evangelists. Statistics cannot tell all the story. We pray earnestly for more revivals like those at Tulare and Carleton and Pearl Creek, where the results have been so spiritually stimulating to all the activities of these churches and abide unto this day. Several

of the pastors have made all arrangements for aggressive Evangelistic campaigns early this fall, among them being Brother Hargett at Brookings, Brother White at Watertown, Brother Minkler at Iroquois, Brother Prosser at Cavour, and Brother Lee at Gary. O, that every pastor could be baptized with the Christ passion for the salvation of the people so that he could not rest and could not sleep until he saw men and women coming to the Lord under his ministry. It was my privilege last Sunday morning to assist Brother White in receiving a splendid class of fortythree young people into full membership in the church at Watertown. All these young people had previously received faithful instruction in probationer's classes conducted by the pastor and so could give intelligent answers to the questions proposed to them as they took upon themselves the vows of church membership. Brethren, there is no superficiality about such methods as these. I commend them to you all as worthy your prayerful consideration and adoption. We have had several hundred accessions to our churches this year. The following, I think, deserve special mention: Watertown, 148; Huron, 83; Hitchcock, 60; Tulare, 40; Garden City, 33; Arlington, 31; Clear Lake, 26; Burdette and Carleton, 24. There were 362 probationers received during the year, a gain of 174 over last year. There were 428 baptisms, a gain of 151 over last year. Despite the severe pruning of several church records, cutting the membership in two in some cases, we had a net gain of about 300 in membership during the year.

# District Gatherings

The District Conference was royally entertained at Iroquois last fall by Pastor Minkler and his good people. Nearly every pastor on the district was present and the earnest discussion of practical district problems and interests revealed a disposition on the part of the men to make this the very best year in the history of the district. reports will prove that these men of God have not been recreant to their trust. In April a joint Sunday School Institute with the Aberdeen District was held at Redfield, conducted by a strong corps of workers from our Sunday School Board. This resulted in the introduction of modern, up-to-date methods in many of our schools. It was by far the best Sunday School Institute we have ever attended. Hitchcock entertained the district convention of the W. F. M. S. in May. While the attendance was not large the spirit of the convention was optimistic and encouraging. The district camp meeting at St. Lawrence in July was in every way a pronounced success, in attendance, interest, financial support, and spiritual results. The district Epworth League Convention was held in conjunction with the camp meeting, with Dr. Schermerhorn as leader. So delighted were the young people with his fine cordial spirit and so helped were they by his masterful instructions that they insisted on his coming back next year. The camp meeting trustees were directed to proceed with the building of a tabernacle this coming year.

# Ministerial Support

We have faithfully urged the adoption of the new financial plan in all the churches and have sought to show that God's business is great

business and should have careful business-like attention. The transition from the old to the new system is not very rapid. People generally cling tenaciously to the old ruts; however, the monthly plan of meeting all church obligations is being more generally adopted. This has been a good year in material blessings. Harvests have been abundant, prices of all farm products are high, money is plentiful, and I have found in most cases a disposition on the part of official boards to recognize the needs of pastors by generous increases in salary. The following charges have increased salaries this year, ranging from \$50 to \$300 each: Arlington, Bruce, Bradley, Brookings, Esmond, Iroquois, Gary, Clear Lake, Cavour, Aurora, St. Lawrence, Huron, Highmore, Miller and Watertown. For the coming year the following charges have already promised advances ranging from \$100 to \$700 each: Bradley, Harrold, Chapelle, Carpenter, Wessington, Tulare, Burdette and Carleton, Henry, Bruce, Iroquois, De Smet, Arlington, Brookings, Hazel and Thomas, White, Broadland, and Watertown. At Brookings the new financial plan at the suggestion of the pastor was adopted early in the year by all the church organizations. Note the results, brethren. Brookings this year raises for all purposes \$13,500. Salary increased this year \$400, with the promise of a \$700 increase next year, a total of \$1,100 in two years; \$6,522 for benevolences, and \$5,278 for other purposes. Take another illustration. One of the results of the revival at Tulare was the organization of a tithers' band. What did it accomplish? All claims for ministerial support paid long before conference, benevolences all in full, nearly \$800 paid for the revival campaign, a \$2,300 indebtedness on church and parsonage provided for, the pastor promised a \$400 increase in salary next year, and all this phenomenal record made this year in what is practically a rural church and most of this time in charge of a student pastor. It must be fully understood that this phase of the forward movement rests not only with the leadership of the one who is called the key man, the district superintendent, but also with progressive pastors and the strongest lay leadership.

## Benevolences

I believe that almost without exception the pastors have been diligent in presenting and collecting the benevolences. The only criticism I would offer is that a few of the men habitually neglect this important matter until the eleventh hour and thus run the risk of failure because of stormy weather or bad roads and the loss that inevitably follows the lack of a persistent, definite educational program throughout the year. This criticism applies to a very few, however. I believe that the special appeals for Red Cross and the Army Y. M. C. A. work have interfered very little with the regular benevolent offerings. In all my quarterly rounds this fall I did not hear once a complaint of hard times, nor any hard luck story. The majority of charges report benevolences in full, some in excess. The crowning effort of the district and, I dare say, of the Conference is the report from Brookings with \$6,522 as the grand total for benevolences. I have searched the records of Dakota Conference and have discovered no report that equals this. The nearest approach was in 1910 when Mitchell reported a grand total of \$5,510 and Wessington Springs \$5,260. The following reports are very commendable: Watertown, \$2,000; Huron, \$767; Pierre, \$425; Clark, \$530; Arlington, \$434; Iroquois, \$390; Garden City, \$375; Hazel and Thomas, \$323; Hitchcock, \$303. Our total disciplinary benevolences amount to \$14,099, an increase of \$3,528 over last year. I am happy to report an outstanding gift of \$25,000 by Jacob Nelson Brown, an official member of the Cavour charge, to be paid out of his estate with his last will and testament, bequeathing to the Methodist State Hospital his entire estate, after providing for three small bequests. Brother Brown is an ex-slave, a loyal Methodist layman, a lover of man, with an intelligent vision of the world's need.

## Property Improvements

The outstanding triumph of the district in this direction this year is the erection of the magnificent modern \$20,000 brick church at Iroquois. In spite of high prices and delay in getting material, the work has been pushed steadily forward and this splendid structure will be ready for dedication in December, when it is hoped our Bishop Mitchell will honor us with his presence and service. The pastor, Brother Minkler, has heroically led the forces, and so thoroughly has the work been done that it is expected every dollar needed will be secured in good pledges before the day of dedication. At Osceola, nine miles from Iroquois, Brother Minkler organized a Methodist class of forty as the result of a revival. They have elected Boards of Trustees and Stewards and have bought the old church at Iroquois, which will be moved to Osceola. About \$2,000 have been secured in subscriptions for this purpose. At Hitchcock the old shack of a parsonage has been sold and a handsome, cosy bungalow parsonage, modern in every respect, has been built at a cost of about \$4,500. It was not an easy task to do this, but Pastor Marble has been persistent and tactful and is now comfortably housed in this beautiful parsonage home. The new parsonage enterprises begun at Tulare and Chapelle last year have been completed. The Carpenter people have moved the church and parsonage into town, and put a complete basement under the church and enlarged the building at an expense of \$2,367, giving this enterprising little inland town a church and parsonage property that would do credit to a much larger place. Garden City added a large new kitchen to the parsonage and equipped the entire building with electric lights. New garages were built at Huron and Arlington and a new barn at Broadland. The Burdette and Clear Lake churches were furnished with new pianos, and the Hazel church with electric lights. The Clark church was provided with a new hardwood floor and carpets, costing \$532. Electrically lighted bulletin boards were purchased at Bradley and Brookings. Gary bought a new Ford car for the use of its pastor. Either the church or parsonage has been repapered or repainted at Bradley, Hitchcock, Arlington, Broadland. Clear Lake, Huron, Brookings and Watertown.

# Indebtedness

We have reduced our indebtedness by \$17,000. Of this Watertown has paid \$11,500; Pierre, \$2,300; Brookings, \$1,490; Miller, \$828; Arlington, \$635; Huron, \$300; Oldham, \$235; Tulare has pledges for \$2,300 to wipe

out its debt. We still have a \$62,000 indebtedness on church and parsonage property.

Women's Organizations

We can bank on the women every time to do well their part. These branches of our Zion never fail us. Ladies' Aid societies report receipts totaling \$14,000. Here are a few sample reports: Watertown, \$1,640; Huron, \$1,537; Miller, \$1,400; Brookings, \$840; Arlington, \$592; Hitchcock, \$451; Clark, \$450; Bruce, Burdette and Carleton, Carpenter, Clear Lake, Garden City, Hazel and Thomas, Henry, Lake Preston, and Oldham between \$300 and \$400 each. Of the W. F. M. S. auxiliaries Brookings leads with \$816; Watertown reports \$386 and White \$204. The W. H. M. S. reports new auxiliaries at Bradley and Iroquois. The total district receipts of the W. H. M. S. are \$723. A new auxiliary will be organized at Watertown next Sunday by Mrs. E. L. Miller, national organizer.

Sunday Schools

The Sunday School enrollment on the district is 154 per cent of the church membership. Generally the schools are progressive, use the supplies published by our Book Concern, and are gradually introducing up-to-date methods. Huron reports the banner cradle roll of 103. Wessington reports 64 on the cradle roll. Brookings reports the largest average attendance, 313.

Epworth Leagues

In our senior chapters the membership has increased 119 over last year, the present enrollment being 728. The juniors now have 165 members. Brookings reports a senior chapter of 90 members and Pierre a chapter of 60 members.

Hospital

The Dakota Deaconess Hospital at Brookings, under the superintendency of Deaconess Minnie Baker, has cared for 351 patients during the year, 263 of these being surgical. There were but five deaths. The gross income was about \$11,000. This institution is entitled to a more liberal financial support from the people of the surrounding territory.

## Personal

I wish to acknowledge my great indebtedness to the pastors of the district and their wives and families for their kindness and consideration and for their hearty coöperation in the work of the year. They have borne most patiently with me. I have met with generosity and hospitality and have enjoyed true Christian fellowship with my co-workers, both lay and clerical. God has been very gracious in granting me health and strength for my tasks. The work of the year has been strenuous enough. I was away from home during every blizzard of the winter save one. I have given all my time to the work of the district, having no other occupation or business. If there is any praise to be given to the Watertown District this year it is in no sense due to me, but to the faithful work of the pastors and their worthy co-workers in the parsonage homes whose splendid efforts have made success possible, but above all to Him whose grace and mercy have been vouchsafed in such abundant measure. To Him be all the glory.

W. S. SHEPHERD.

#### EDUCATION

We rejoice in the number and prosperity of our theological schools. Our Church has never been so well equipped for training its ministry as to-day. In building facilities, teaching force and general spirit our theological schools offer to our young men the largest opportunities in the history of Methodism. We are glad to note the following special features of interest: At Boston School of Theology, the completion of Robinson Memorial Chapel; the extension of the department of Religious Education; the cooperation with Morgan Memorial in training Christian workers; the strengthening of faculty and endowment at Drew Theological Seminary; the growth of financial resources under the leadership of President Ezra Squier Tipple; the establishing of new departments of work under the most efficient leaders; the Henry A. Buttz Endowment Fund; at Garrett Biblical Institute, the completion of the group of four dormitories at a cost of \$130,000; the campaign of \$1,500,000 for additional buildings and endowment; the increased enrollment and the addition of the Summer Quarter making a continuous school year.

We gratefully acknowledge the help we have received through the Board of Education of the Methodist Episcopal Church. Last year twenty-four students from this Conference received help from the Children's Day Fund, totaling \$1,581. Of this number twenty-three were at Dakota Wesleyan. The department of Religious Work of the Board of Education is coöperating in the Evangelistic campaigns of our colleges. Through the University Senate the Board of Education also helps to maintain high standards of scholastic work in our Church institutions.

Dakota Wesleyan University continues to be one of the largest assets of Methodism in South Dakota. Its courses comprise College, Normal, Music, Domestic Science, Academy and Business Mechanics. The educational training in each of these departments is of high grade. The scholastic standards of the college are recognized by the leading institutions of the country, thus making it possible for students to enter these schools without loss of credit.

An earnest religious spirit pervades the institution. Every member of the faculty is a Christian. The Young Men's and Young Women's Christian Associations are doing aggressive work. Classes have been organized for the instruction of foreigners in Mitchell; gospel teams have gone out to assist pastors in Evangelistic services, and Bible Study classes have been formed to which a great majority of the students belong. Quite a number of the upper classmen have enlisted in the army, and there seems to be a spirit of unusual earnestness on the part of those who remain. Notwithstanding the war, there are as many students enrolled as last year.

The new president, the Rev. William D. Schermerhorn, D.D., has already won the love and hearty support of faculty and students. The city of Mitchell and other communities, where President Schermerhorn has gone, are enthusiastic in their appreciation of his ability and worth. We feel certain that under his leadership Dakota Wesleyan will contribute even more than she has in the past to the best interests of South

Dakota and the enlargement of the Kingdom of God.

With reference to the Dakota Wesleyan Campaign for \$400,000, approved by our last annual session, and to be directed by the Educational Jubilee Commission of the Board of Education, we recommend the following: First, that this campaign be formally launched about April 1, 1918, or at such exact date in the spring as may be agreed upon by the Jubilee Commission and the College Board of Trustees, and that it be conducted according to such methods as the Jubilee employs which have been so successful throughout Methodism. Second, that we pledge ourselves to loyally cooperate in the prosecution of this great campaign for this authorized amount, to take the place in the organization to which we may be appointed, and to do our part to the end of the great extension drive to find the last dollar for Dakota Weslevan University. that may be asked, believing it necessary for the immediate needs of the institution. Third, that we include in this campaign the sum of \$20,000 as our share of the \$1,000,000 to be raised for the Board of Education Endowment Fund asked for in this great Church-wide forward

We recommend the names of the following persons as visitors to our educational institutions. Boston School of Theology, Drs. J. P. Jenkins and G. C. White; Drew Theological Seminary, Rev. W. A. Black; Garrett Biblical Institute, Dr. C. E. Hager and the Rev. Gilbert Stansell; Dakota Wesleyan University, the Rev. H. W. Minish and the Rev. I. M. Hargett.

We recommend a Conference Jubilee Campaign Committee with Bishop Mitchell as chairman, and the district superintendent, one pastor, and one layman from each district. We further recommend the following persons as members of this committee. Aberdeen District—P. O. Bunt, Gilbert Stansell, and U. G. Johnson; Mitchell District—J. S. Harkness, J. S. Hoagland, and W. E. McDonald; Rapid City District—C. E. Matteson, F. E. Morrison, and F. E. Minty; Sioux Falls District—G. W. Rosenberry, A. W. Thurston, and J. S. Fargo; Watertown District—W. S. Shepherd, Gay C. White, and G. F. Knappen.

The hospital was renovated, repaired and refurnished in part in the spring at a cost approximating \$500.

The experiment of renting a home for the nurses proved so expensive that we were obliged to move back into the hospital building, thus reducing the number of beds available for patients below the standard set by the new state registration law and involving the disbanding of the training school in July.

We hold, as Methodist preachers, that to spread scriptural holiness in the earth is our sole business.

That by the help of the Holy Spirit, with or without our Conference Evangelists, by personal Evangelism, special revival, regular preaching services, Sunday School and Epworth League and general revival movements in the community we do our utmost to faithfully meet this program.

# HOME MISSIONS AND CHURCH EXTENSION

We are grateful to God for the extension of His Kingdom through this department of our church work. That the best results may be reached and that the most needy fields may be helped there should be a careful survey of the needs of the many charges that receive help from Home Missions and Church Extension funds. We ask our lay members to coöperate with the pastors and District Superintendents and, where possible, to relinquish any claim upon these funds that more needy fields west of the Missouri River may be assisted.

Respectfully submitted,

F. B. DUNN.

## WOMAN'S HOME MISSIONARY SOCIETY

We rejoice in the work accomplished by the Woman's Home Missionary Society during the year.

We are glad to report an increase in the number of auxiliaries of over

100 per cent in some districts.

We feel highly honored that the National Woman's Home Missionary Society should come to Dakota Conference to make its choice of a man for its important work.

We wish to express our appreciation of the splendid coöperation of the pastors and superintendents and to solicit their coöperation for the year before us.

C. B. HARROLD,

J. S. ELLIS,

E. O. MACHAMER.

#### EPWORTH LEAGUE

Believing the Epworth League is peculiarly fitted in its organization and work to develop into strong men and women for God the young people of our Church,

We, your committee, recommend that all our pastors give to this organization special attention this year in their work. And that in those places where no organization now exists the pastor shall immediately take the necessary steps to organize our young people into an Epworth League.

We further recommend that upon every district throughout our Conference a thorough district organization be formed and that District Institute or Convention be held.

C. B. HARROLD, Chairman.

FRED H. RAY, Secretary.

# AUDITORS OF THE TREASURER'S ACCOUNTS

We find all accounts correct.

J. E. McKINNEY, C. B. DENNISON.

## FREEDMEN'S AID

In view of the great services rendered by the Freedmen's Aid Society in the building and maintaining of schools, seminaries and colleges for the uplift of the negro race, we, your committee, recommend that each pastor of the Dakota Conference observe Lincoln Day and secure the apportionment for this society.

And, further, as the society has offered to furnish printed matter free of charge, we urge our pastors to avail themselves of the opportunity

and secure sufficient literature to inform their people on the work of this board.

FRED H. RAY, President.

R. B. HUGHES, Secretary.

## WOMAN'S FOREIGN MISSIONARY SOCIETY

We are glad to note the continued success and progress of the Woman's Foreign Missionary Society. The amount of money, over twelve and a half thousand dollars, raised this year, significant as it is, is not the only value derived by the church from this society. Great as this amount is, the stimulation of interest in the whole benevolent budget of the church, the spirit of sacrifice and the unity of action instilled in the churches by the example of this society are to the local church beyond measure.

We recommend the hearty coöperation of the pastors and people in furthering the work of this society. Churches should be opened to their representatives, sermons should be preached along the line of their work and as wide a knowledge of the needs of the missionary fields as possible should be kept in the minds of the congregations. We pledge the cooperation of the members of this Conference to the work of this society.

H. E. RICE, Chairman.

# SABBATH OBSERVANCE

The Sabbath is the source of Christian liberty and is the manifestation of God's covenant relation with man.

Knowing its vital relation to the moral and material interests of mankind, we especially urge the Methodists of South Dakota to avoid the insidious perils that come upon us with the inrush of the European Sunday.

Therefore, be it resolved, that we ask our people to prayerfully consider the prophetic utterances of Isaiah in turning away from their pleasures on God's holy day and call the Sabbath a delight, the holy of the Lord, honorable, and to put forth every effort to secure law enforcement against Sabbath desecration. Then shall the people of South Dakota delight themselves in the Lord and Church and State enter into an era of unprecedented success and prosperity.

S. E. BROWN, Chairman. HARRY LEE, Secretary.

## CONFERENCE DEACONESS BOARD

We have heard with much satisfaction the reports from our two institutions under Deaconess management. A noble work has been done in healing the sick and ministering to the dying. A number of improvements have been made, thereby increasing their efficiency. Much credit is due to Miss Elva L. Wade, Superintendent of the Rapid City Hospital, for her untiring energy and devotion to the work. Miss Minnie B. Baker, who comes to us from Rome, N. Y., is taking hold of the work as Superintendent of the Brookings Hospital in a way that promises to make the coming year a banner one for this institution.

Our one great hindrance is the lack of young women who are willing to devote themselves to this most worthy work. We earnestly urge every pastor to seek out young women who will consecrate their lives to this service.

The standing of the following deaconesses was approved by the Board: Elva L. Wade, Grace M. Bayne, Cornelia A. Rodenfels, Sarah B. Simmons, Minnie B. Baker. Miss Rodenfels was transferred to the Colorado Conference; Miss Minnie Williamson was granted leave of absence, and Miss Susie Thompson was received as a probationer from Rock River

The visit of Dr. D. W. Howell, Secretary of the General Deaconess Board, and his address to the Conference brought much of inspiration and helpful suggestion. The importance of this work requires a part in the Conference program, and we would so recommend.

The Board re-elected Rev. R. G. Minkler as president, and H. G. Ozanne as secretary, and presents the names of Mrs. J. P. Jenkins, Mrs. C. E. Hager and Dr. W. F. Minty for approval as members of the Class of 1920, and for the vacancy in the Class of 1919 caused by the removal of Mrs. J. A. Edwards we recommend Mrs. W. S. Shepherd.

> R. G. MINKLER, President. H. G. OZANNE, Secretary.

#### FOREIGN MISSIONS

We believe that the great need of the home church in order that it may duly realize its opportunity and its responsibility is the fullest knowledge possible, not only concerning the general missionary principle, but also

concerning the actual fields in which its missionaries are working—the

needs, the opportunities, and the victories.

We therefore commend the efforts now being made by the Board of Foreign Missions, largely through its new department of world evangelism, to make available to a fuller degree than ever before this knowledge and to establish this sense of touch and of fellowship between our home churches and the missionaries on the field. We heartily recommend to our pastors and people the agencies now rendered available to this end, namely, the two new missionary publications of the Board, the "World Outlook" and the "Missionary News," and the "Northwestern Christian Advocate."

We would also call the attention of our pastors and especially of our District Superintendents to the profit to be derived from coöperating with the board and with the department of world evangelism in the new type of district campaigns now being used, and would suggest the introduction of these campaigns on all our districts, also hearty coöperation in "The Partnership Plan," and any other plans offered for the \$40,000,000 campaign.

WM. JOHN CALFEE.

## STATE OF THE CHURCH AND THE NATION

In this day of world upheaval and peril it is the conviction of this Conference that the need of the United States is the guidance of Almighty God. We therefore call upon our ministers and people to humble themselves before Him and seek to know His mind, that they may be sufficient for the high tasks before them.

We heartily approve the purpose of our Home Mission Boards to provide for the spiritual welfare and the moral safety of the troops now

at the cantonments, and pledge them our support.

We endorse the Army Y. M. C. A. and Red Cross, and urge our people to liberally support these organizations, but we condemn questionable and unethical methods of raising funds for these movements in the name of patriotism.

We approve, without qualification, the action of the Government in the present war. We endorse our President and commend the Secretaries of the War and Navy Departments for their efforts in conserving the high moral standards of our soldiers and sailors.

We pledge coöperation to the plans of Herbert C. Hoover in the conservation of food and call upon our President to exercise his authority to compel the brewers to a like coöperation.

We urge upon our people the purchasing of liberty bonds as a practical expression of their loyalty and devotion to the Government.

To the peace advocates of our state and nation we say, America is at war; this is no time to talk of peace. The only desirable peace is a peace that shall come through the success of our country and our Allies in the present war. To the success of this war, therefore, let all our people give their continued efforts.

We endorse the war policies of our Governor, the Honorable Peter Norbeck, pledging ourselves to willingly coöperate with him in these trying times, and we express to the present State Council of Defense our appreciation of their patriotic, unselfish services and give them the assurance of our willing coöperation.

(Signed by) THE WHOLE COMMITTEE.

## METHODIST STATE HOSPITAL

Assured of the hearty support of the Conference, one year ago the Board of Trustees of the Methodist State Hospital let the contract for the excavation and foundation of the hospital which was completed by December 1. On January 23, 1917, the contract for the new building was let and the work was begun upon its construction April 7 of the present year. The contract of the building, including the foundation, amounted to \$50,329. The contract for the engineering, the plumbing, heating and wiring, amounting to \$27,297, was let on the most advantageous terms possible, resulting in the saving of several thousand dollars to the hospital. The installation of the elevators will be accomplished at a cost of \$2,350. The surgical and other equipment will involve an outlay of \$15,000. The architect's fee and superintendent's salary amount to \$3,500. The site, including house for the nurses' home, cost \$9,000. The grading of the grounds and other expenses will readily bring the total outlay for the construction and equipment to the hospital, including the furnishings, to \$105,000.

One year ago our total resources amounted to \$43,484. To-day the total figure is \$63,183.65. This amount includes \$6,540.87 of notes from the Federated Funds of the Conference, and \$2,574.69 of a refund of the Executive Secretary's salary, and expenses covering fourteen months by the Commission of Federated Interests of the Conference. The gift of \$5,000 by Mrs. G. F. Swift deserves special mention, and expressions of heartfelt gratitude upon our part. The gift of \$25,000 in the form of an estate note by Jacob Nelson Brown of the Pearl Creek Church, Cavour charge, accompanied by his last will and testament, with a residuary clause giving us his entire estate, after taking care of three small gifts, to the Methodist State Hospital, places this humble colored man, born in slavery, among the small but growing list of South Dakota philanthropists. So long as this institution ministers to suffering humanity it will stand a memorial to the name of Jacob Nelson Brown, as one of its founders.

To meet immediate needs and assist in the completion of the institution, the Board of Trustees has issued \$40,000 in bonds, running for ten years at six per cent per annum, with option of payment after five years upon any interest payment date. To meet pressing needs by purchasing the furniture and kitchen equipment we should secure \$10,000 at once, and the Board of Trustees appeals to the Conference to give its united and immediate coöperation to securing this sum to aid us in the task of an early opening of the hospital.

It is also planned in connection with the opening services of the hospital planned for December 9, under the leadership of Bishop Mitchell, to secure additional funds to increase our resources where the institution may be opened and carry on its ministry of healing without being

immediately embarrassed and limited in its usefulness by unprovided indebtedness, aside from the bond issue.

At the annual meeting of the Board of Trustees, it was voted to make it the policy of the Methodist State Hospital to receive and care for any of our pastors, their wives and dependent children, as guests of the institution, without a monetary consideration. This will doubtless prove to be a great blessing to many families to our parsonage homes in the years to come, and we therefore trust we may have the coöperation of every member of the Conference in completing and opening this great institution.

The Board of Trustees recognize the services of the executive secretary, the Rev. G. T. Notson, D.D., to be indispensable to the enterprise, and request his re-appointment to that position.

The Board of Trustees asks authority of the Conference to secure the amendment of the Articles of Incorporation to increase the Board of Trustees to fifteen members. In harmony therewith, the following nominations for trustees are submitted to the Conference for election:

For Three Years—J. S. Hoagland, S. E. Morris, W. T. McConnell, W. S. Shepherd, G. T. Notson;

For Two Years-J. S. Harkness;

For One Year-Walter M. McDonald.

Respectfully submitted,

J. S. HOAGLAND, President,

LEWIS SHUSTER, Secretary.

#### SUNDAY SCHOOLS

We regard with pleasure the continued efficient work of the Board of Sunday Schools.

In the wide and rapidly changing ideals of education the church must follow the advance or fail in one of the greatest and most important works of the church. Early and well-laid foundations are essential to produce the type of character needed for the great tasks of the day at hand. The Board of Sunday Schools has shown itself capable of this leadership, and we wish to express confidence in its work, and urge the pastors that they give careful attention to the "Partnership Plan" of the Board in securing funds.

We would also commend the excellent institutes conducted in the Conference during the past year.

LOUIS L. LANE, Chairman. WM. S. ROWDEN, Secretary.

## TEMPERANCE COMMITTEE

Resolved:

First—That it is with grateful praise to Almighty God that we look back upon the achievements of the past Conference year in the realms of warfare against the liquor traffic; and we desire to express our thanks to all the Christian forces of the state that so splendidly coöperated to win our state-wide victory, and we rejoice to note that the reform is victoriously sweeping forward over our nation and the civilized world.

Second—In view of the great vote in our state against Prohibition we urge our churches and Sunday Schools to follow up the Prohibition victory, by thorough practical educational work to safeguard our own victory and to help in other fields.

Third—We pledge our hearty cooperation and support to all local and state officers who will earnestly cooperate with us in the enforcement of our Prohibition laws, and commend our governor for his courageous position in the warfare against the liquor traffic.

Fourth—We will resent and oppose any political effort or utterance, or any legislative movement or action that will in any way weaken our present splendid Prohibition law, and to this end we shall endeavor to elect to legislative and executive offices only such men as are supporters of real Prohibition.

Fifth—In the realms of moral reform we hail as one of the greatest strategical victories of this generation the splendid triumph of our Board of Temperance, in permanently locating its headquarters under the very shadow of our National Capitol, where it can constantly guard the foes, and assist the friends of world betterment.

Sixth—Our people are feeling intensely the need of Prohibition to save man power, transportation facilities, food-stuffs and other National resources in war times; therefore, we, the representatives of South Dakota Methodists in Conference assembled, respectfully urge our President to use the power vested in him by the Constitution, and by special Congressional enactment to prohibit all manufacture, sale and transportation of alcoholic liquors for beverage purposes during the continuation of the war, and to protect the boys in the American army from any and all encroachments of the liquor traffic and other evils; and we order that a copy of this resolution be forwarded by our secretary to the President of the United States.

Seventh—We urge our representatives in Congress to work for the submission to the several states, at the earliest possible moment, the Prohibition amendment to the Federal Constitution.

Eighth—We recommend that this Conference elect P. O. Bunt, I. M. Hargett, A. E. Carhart and J. S. Hoagland as our representatives on the Board of Trustees of the Anti-Saloon League.

A. C. McLEAN, President.

O. W. BUTTERFIELD, Secretary.

## RESOLUTIONS

We, the members of the Dakota Annual Conference in our Thirty-third annual session do hereby offer the following resolution:

I. That we are pleased to have the privilege of visiting and holding

our Conference in the beautiful capital city of our state.

II. That we appreciate and extend our thanks to the genial pastor, Dr. J. A. Edwards, and his heroic people together with the citizens of Pierre for their hospitality in opening their homes for our entertainment.

III. That we heartily commend the members and friends of this church in their unprecedented struggle to clear their beautiful and

commodious church from all encumbrance, and we hope and pray that their efforts may ultimately be crowned with complete success.

IV. That we congratulate ourselves upon having our brotherly and efficient Bishop Mitchell as our presiding bishop and hope that he may be with us throughout the quadrennium; and further we greatly appreciate the presence and inspiring addresses of Drs. Schermerhorn and Vogt. We wish to thank secretaries of our benevolent societies, the editor of the "Northwestern," the secretary and his assistants, the treasurer and his assistants, the statistical secretary and his assistants and all others who contributed to making this one of the most successful conferences in all our history.

V. We wish to express our gratitude to Mrs. Catherine G. Woolley for her liberal gift of \$12,500, which enabled this church to be saved for Dakota Methodism.

VI. We urge upon our government to throw around our boys every possible moral safeguard, both in our home cantonments and in France, to save them from the moral ruin that sometimes invest the army life.

VII. That we are profoundly thankful for the glorious victory that has placed our state in the honor roll and gave us a bone-dry law such as is not excelled by any other state in the union. That we pledge ourselves to support every effort by the Anti-Saloon League and all other organizations intended to enforce and make permanent the great victory already won; and that we further urge the President of the United States to write "the emancipation proclamation" from the power of rum that will give us as a nation a bone-dry constitutional amendment.

VIII. That we greatly appreciate the kindness of the "Daily Dakotan" and the "Capital Journal" in publishing the news of the Conference.

IX. That we pledge ourselves as a church and as citizens of the greatest country on earth to the loyal support of our government in the world conflict for the supremacy of the principles for which our fathers bled and died, and knowing this may be a long and terrific struggle we urge upon our people that they coöperate with all reasonable efforts to conserve our resources, by refraining from all extravagance and wastefulness in living, and endeavor to support the government in buying Liberty Loan Bonds, contributing liberally to the Red Cross, and the Army Y. M. C. A.

X. That we call attention to the fact that in our patriotic support of our civil government, we may forget the great benevolent causes of our church and of the Kingdom of Christ, and that we urge the loyal support of all our members to the various benevolent causes, knowing that the Kingdom of Christ is first and that the time must come when all the nations of the world shall become the nations of our God and his Christ.

A. M. LOTT, Chairman.
A. W. THURSTON, Secretary.

## Memoirs

#### ALUM E. TANNER

Rev. Alum E. Tanner was born in Lewis County, New York, June 22, 1839, and died at his home in Mitchell, S. D., October 21, 1916. Brother Tanner spent his boyhood days and youth on a farm, and for some time followed the occupations of cheese-maker and teacher, and later that of a traveling salesman.

He was converted at the age of twenty years but backslid and spent several years in the world's ways, until under the preaching of D. L. Moody in Chicago, he was fully reclaimed and soon began preaching the Gospel. His first charge was Conesus, New York, where, under his pastorate, the membership of the church was doubled. He united with the Genesee Conference in 1881 and continued to preach within the bounds of that Conference until coming to South Dakota in 1885, when he was stationed at Frederick, in Brown County. Here he built our church and later served as pastor at Gettysburg, Lennox, Beresford and Hudson. At several of these places he re-built the parsonages.

The faithful labors of Brother Tanner usually resulted in a revival season on every charge served. He took supernumerary relation in 1902 and retired in 1907.

As a man he was genial and brotherly; as a minister he was earnest and loyal to the work his Master called him to do. He was united in marriage November 16, 1861, to Miss Harriet A. Tanner, who, for nearly fifty-five years was his constant companion and helpmeet, sharing with him the joys and sorrows of life. His widow and two sons, Berton and Warren, remain to mourn his loss.

In 1903 the family moved to Mitchell, South Dakota, where they were residing at the time of his death and where he was highly respected by all who knew him. This brief mention cannot adequately picture the life of one of God's faithful ministers. Only eternity can reveal the blessedness of that life and the fruits of its toils and sacrifices.

#### WILLIAM ARNOLD GREENE

William Arnold Greene was born in Genesee County, New York, December 1, 1851, and passed away November 10, 1916, aged sixty-four years, eleven months and nine days. His education was obtained in the district schools and at the State Normal School at Brockport, New York. He was united in marriage with Miss Emma Hill, March 11, 1871, and to this union were born three children, Alta, the eldest, dying at seven years

of age; Mrs. C. H. Houston, now residing at Benton, Arkansas, and Mrs. Walter A. Christianson, of Chicago, Ill.

After their marriage Mr. and Mrs. Greene moved to Atkinson, Illinois, where he was engaged in farming until 1881, when the family came to Hanson County, locating upon a farm in Beulah Township, where they resided for thirteen years. In 1895 Mr. Greene entered the ministry and was engaged in this work in South Dakota for thirteen years, being affiliated with the Methodist Episcopal Conference. He was also engaged in the Anti-Saloon League work at Little Rock and Benton, Arkansas, being the first to take up this work south of the Mason and Dixon Line, and was Superintendent of the league work for about five years.

A few years ago Mr. Greene and family moved to Michigan, locating near the city of Alpena, and they made their home there until Mr. Greene's death. In the fore part of August Mr. Greene went to Buffalo, N. Y., for what was considered a minor surgical operation; but his ailment proved to be more serious than anticipated, and resulted in his death, after an illness of over two months. Besides the widow and two children the deceased man is survived by two brothers and two sisters—James Greene of Montana; Edward Greene of Robers, Arkansas; Mrs. C. Ferguson of Montana, and Mrs. Lydia Morrison of Minneapolis. The funeral was held from the family home, services being conducted by Rev. Crosby, and the remains were interred in the cemetery at Alpena, Mich.

Brother Greene was a lovable man. He made many warm friends, and this friendship was continued unbroken until he was called to the home above. At the various places in the state where he officiated as pastor, he was also popular with the people, irrespective of their church affiliations. He was a good citizen, and as a friend he was loyal and steadfast. Devoted to his family, their sorrow is deep and lasting and their many friends will extend tender sympathy in their time of deep bereavement.

Mr. Greene, though suffering great pain for many weeks, was always patient, and though he hoped to recover and be with his loved ones and his friends for years to come he was resigned to the will of the Redeemer; ready to go if called, and to answer the summons cheerfully. He accomplished great good during his life, and the example and precepts of his life and teachings will live long with those who knew him. He is at rest with the Master whom he loved, and in whose service he labored long and faithfully.

#### CHARLES EDWARD McDONALD

Charles Edward McDonald was born in Wessington Springs, South Dakota, July 17, 1886, and died at Montrose, South Dakota, November 9, 1916, aged 30 years, 3 months and 22 days.

His boyhood days were spent in Wessington Springs, where after passing through the common school he completed a business course and later a full English Course at the Wessington Springs Junior College.

He dated his beginning in the Christian life at the time of a revival meeting held by his pastor, Rev. G. D. Brown, in January, 1901. He

united with the church as a probationer at that time, but was not received as a full member until December 29, 1907.

He was reared in a Christian home. His father, C. W. McDonald, was for years a class leader, local preacher, and a teacher in the adult department of the Sunday School. His mother, a devout Christian, carefully and prayerfully reared her children and it was no wonder that Charles early felt a call to preach. After mature deliberation and something of a struggle he accepted the call and began work at Summitt, South Dakota, in the fall of 1911. He was received as a probationer in the Dakota Conference the following year. In 1915 he was received into full membership and ordained Deacon by Bishop Quayle. He served acceptably the following charges: Summit, Wessington, Esmond and Montrose.

On December 28, 1911, he was united in marriage to Miss Theresa Burington, who was a true helpmeet indeed. A boy and a girl came to bless their home, but the little girl born at Montrose, South Dakota, tarried but a few weeks and then slipped out of the mother's arms into those of her Heavenly Father.

"Ned," as he was familiarly called in his home town, was the soul of good nature, and was never so happy as when he could be of service to others. He truly scattered sunshine wherever he went. He was doing well in the ministry, and whatever might have been his future success had he lived, one thing could have been said of him, he tried his best to be faithful.

His last illness was brief. A sore appeared on his face, which became infected, and after four days of intense suffering his young life, which seemed just fairly begun, was ended and he entered into the more intimate presence of his Lord.

The Rev. I. M. Hargett, who for some time had been his pastor, and the Rev. G. W. Rosenberry, his district superintendent, assisted by the Rev. F. H. Ray, a neighboring pastor, conducted the funeral services on Sunday, November 12, 1916, and laid him away beside his baby girl at Montrose, South Dakota.

Besides a mother, three brothers, one sister and many more distant relatives, some of us, who knew him well, miss him to-day, for we loved him.

#### WILLIAM THOMAS FERGUSON

The Rev. William Thomas Ferguson was born in Pottsville, Pennsylvania, March 5, 1867, and died at Mt. Vernon, South Dakota, April 22, 1917

He was the son of Episcopalian parents, and spent his early life in the coal mines. He was converted at a campmeeting in early manhood, heard the call to preach, and felt the need of educational preparation. He spent several years in Dickinson Seminary, Williamsport, Pennsylvania.

He entered the ministry of the Methodist Episcopal Church in March, 1896, as a probationer in the St. Louis Conference. Here he served twelve years with increasing success and influence. In 1908 he was

transferred to the Dakota Conference and stationed at Gregory, South Dakota. After a remarkable pastorate of five years he moved to Mt. Vernon, South Dakota, in 1914.

Brother Ferguson was a pleasing, earnest and thoughtful preacher. He excelled, however, in his pastoral work. His attractive personality, brotherly spirit, sympathetic heart endeared him not only to his Church people, but to the entire community. He was universally loved.

He married Miss Edith Peterson, May 5, 1897, who survives him with four sons.

Dr. J. S. Hoagland, pastor of our First Church at Mitchell, gave the funeral address. He was assisted in the service by Dr. J. S. Harkness, Superintendent of the Mitchell District; Dr. G. T. Notson, executive secretary of Methodist State Hospital and the Rev. Carl Harvey of the Dakota Wesleyan University at Mitchell.

Among the many floral pieces was one from the Indians sent from the Rosebud Reservation. Interment was made in the Mt. Vernon cemetery.

#### ARCHIBALD JAMIESON

The Rev. Archibald Jamieson was born at North Gore, Ontario, Canada, March 30, 1937, and died at his home in Correctionville, Iowa, June 4, 1917. He married Miss Anna Corry at Perth, Canada, August 25, 1858, who survives. To this union were born five children. He is survived by one daughter, Mrs. O. C. Foster of Correctionville, and two sons, Amos of Pasadena, California, and William I. of Miles City, Montana; also two brothers, Judge Joseph Jamieson, of Almonte, and Thomas Jamieson of Napanee, Canada.

At a campmeeting near Perth, Ontario, in 1865, Mr. Jamieson was soundly converted, and immediately felt the call to the Christian ministry. He united with the Wesleyan Church of Canada, and began at once to prepare for his life work, and for seven years was a minister in his native land before coming to the United States. In 1872 he went to Iowa, transferring his church relationship to the Methodist church and uniting with the Northwest Iowa Conference. His first charge was Webster City, and his subsequent charges in this conference were Sac City, Yankton, Clear Lake, Emmetsburg, Alden and Le Mars.

In 1883 he transferred to the newly-organized Dakota Conference and there filled some of the leading appointments. In the order named he served the following charges: Sioux Falls, Vermilion, Canton, Pierre, Elk Point, Dell Rapids, Hudson, Hartford, and Beresford. In 1905 he retired from the active work of the ministry and moved to Correction-ville, Iowa, to be near his daughter, Mrs. O. C. Foster. For almost twelve years he has resided in Correctionville, and his life was a constant benediction to the community. He was always an acceptable preacher in the local pulpits, and the fast friend and best helper and adviser of the local pastors. During his active ministry his charges were alivewith revival fires, and he was a valuable helper and preached in the tabernacle campaign that closed here less than two months before his death.

Next to the revival he loved the campmeeting, and for years was one of the managers and directors of the Clear Lake Campmeeting Association. He was a member also of the State and National Holiness Associations. He was an indefatigable temperance worker; prominent in the affairs of the Prohibition party, having been a candidate for Congress and also for Lieutenant-Governor of South Dakota, and at the time of his death was a member of the Iowa State Central Committee. He was the author of a little book entitled "Changed, Not Exchanged." He was universally beloved.

The funeral was held at Correctionville, June 7. The Rev. Mark Masters was in charge. The Rev. Dr. Harkness of Mitchell, South Dakota, represented the Dakota Conference, and spoke of the part Mr. Jamieson had had in developing this conference, and the Rev. W. J. Todd of Webster City took part. He was buried at Le Mars beside his son and daughter.

#### THOMAS HENRY YOUNGMAN

At the fitting hour of sunset on Friday, September 7, 1817, the ashes of the Rev. Thomas Henry Youngman, D.D., were laid to rest in Graceland Cemetery, Mitchell, South Dakota, the burial service being conducted by Rev. A. E. Carhart, who spoke as follows:

It is desired that this service shall be brief and simple, and free from all spectacular effects. However, it is appropriate that a few words shall be spoken.

Our brother was born in Downham, Norfolk, England, January 18, 1837, and "born again" when seventeen years of age. His conversion wrought a complete change in his interests and ambitions and he became at once earnestly engaged in the search for knowledge of things intellectual as well as spiritual. This keen thirst kept his mind alert and his heart warm up to the close of life.

At eighteen years of age he became a local preacher of the Methodist Church in which relation he continued during the next eight years. In 1863 he came to America, and joined the Oneida Conference of the M. E. Church in the State of New York, and there served during the succeeding twenty years. Owing to ill health he came to South Dakota in 1883, where in four years of out-of-door life he gained steadily in health and strength, doing meantime much school work and other preaching. He then resumed regular work and became a member of the Dakota Conference. He held pastorates at Alexandria, Woonsocket, Brookings, Mitchell and Huron. In 1904 he became a supernumerary member and in 1906 a retired member of this Conference. He removed with his family to Canon City, Colo., in the year 1908, where he resided during the remainder of his life.

Early in February of this present year a heart affection of long standing became acute and refused to yield to treatment, causing his death June 13, 1917. Funeral services were conducted by Rev. Jas. F. Harris of Denver, and in response to request of the deceased the body was cremated.

Brother Youngman's ministerial services extended over a period of nearly fifty years. The degree of doctor of divinity was conferred upon him by Dakota Wesleyan University. In 1900 he was a delegate from this Conference to the General Conference of our church.

He was twice married; his first wife dying in 1879. He is survived by his wife and three daughters.

We are about to commit to the earth to await the resurrection day all that remains of the mortal frame of one of the noblest servants of God our state has ever had within its borders. The changes wrought by time are such that if we were to call the roll of those in Mitchell who knew our brother intimately the number might not be great, but those who have felt the uplift of his blessed and varied ministry are scattered very widely over the earth, and the fruitage of his toil will endure forever.

John, the Revelator, wrot, "And I heard a voice from Heaven saying unto me, 'Write, Blessed are the dead, which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors and their works do follow them." So I am convinced that the works of this good man are like seed scattered in fruitful soil. Their products will continue to increase while time shall last.

Some time ago I read of a sweet-spirited old lady who, in her travels, used to scatter the seeds of beautiful flowers from the car windows, hoping some of them might grow and bring cheer to the hearts of the passers-by. Brother Youngman was likewise thoughtful. I recall his scattering the seed of a useful plant he loved, hoping it might bring blessings to others after he was gone.

Those of us, who remember him well, will ever think of him as a man of dignified and noble bearing. We both loved and revered him. He seemed in a sense like one of the patriarchs of old. To people of every age and in every walk of life, but especially to young preachers, he was a warm friend and fatherly counselor. Many business and professional men found in him that broad intelligence and faithful dealing that bound them to him in a most unusual way. Wherever he went he bore with him an uplifting atmosphere. Of large frame and splendid build, his appearance in the pulpit, and in other public address, commanded close attention from every listener. Few men were as eloquent as he.

His matter was of extraordinary quality. He wrought it out with great painstaking and faithfulness. In his pulpit ministrations he was exceedingly and appropriately in earnest, and we who heard him felt as though we were listening to an oracle, so true to the Divine standards was everything he said.

He was deeply concerned with all the problems of civic life, and in every respect was as true as the needle to the pole.

His was an intensely sensitive and sympathetic nature. When the world war burst upon the nations his heart was well-nigh broken. It seemed to him as though Christian civilization had collapsed.

He died in the triumphs of the Christian faith. A letter indited near the close of life ended with these words: "One thing remains. I love thy kingdom, Lord." We feel like saying in the beautiful words of Wesley,

"Servant of God, well done!
Thy glorious warfare's past.
The battle's fought, the victory won,
And thou art crowned at last."

#### ALICE BECKMAN HOAGLAND

Alice Beckman Hoagland was born November 5, 1870, near Clinton, Indiana. She was graduated from the High School of that city and the Indiana State Normal School at Terre Haute. Later she spent two years in the Emerson College of Oratory in Boston. She was a brilliant and popular student leading her classes in scholarship, and in the various activities of school life. She taught in the public schools of her home town, and in Morehead, Minnesota. While a student in the East, she was elected the assistant in the department of English literature in the Indiana State Normal School.

She was married August 27, 1895, to Rev. J. S. Hoagland, pastor of the Maple Avenue Methodist Episcopal Church, Terre Haute. The following year they were stationed at the First Church, Michigan City, where they remained three years. Then came a notable pastorate of nearly ten years in the College Avenue Church, Greencastle, the seat of her husband's alma mater, DePauw University. A break in her health made a change necessary, and in 1909 they were transferred to the First Church of Mitchell, South Dakota, the seat of the Dakota Wesleyan University, where she died Tuesday morning, August 7, 1917.

While her health was never firm, she was in no sense an invalid. She was efficient in all the multiplied relations of a minister's life. She was an attractive woman with a beautiful face, a graceful girlish figure and a charm of manner which was the sure mark of a lady. It was, however, her heart qualities that made her universally loved. Her soul was sensitive to the joys and sorrows of the people. To her love and sympathy none were alien. She was thoughtful of others and forgetful of herself. Unselfish to the last and to the uttermost, in her final hours she whispered to her husband. "Tell the people that I love them all. Tell them that the only way to live is out and out and all and all for Jesus." If she had a heart passion that surpassed another it was that all the young people might come to love and know her Lord.

She was a missionary enthusiast and always happy in the work of the women's societies. She was generous with her money for their work, and lavish of her time and energy in plans for their prosperity. No department of church life was foreign to her interests and coöperation. She was a persistent tither believing that one-tenth of all the money that came into the parsonage belonged to God, and that He should have His own. She was loyal to all the good movements of the community, and went to the limit of her strength in their support. She was a talented reader, and before her voice failed, gladly gave her services in the promotion of many worthy enterprises. She avoided as much as possible

public address, but when it seemed necessary that she should represent her sister she did it with rare tact and beautiful language. However, in the last analysis everybody felt that it was she even more than what she said or did that really counted.

The harvest of such a life of loving seed sowing was abundant and beautiful. The currents of unnumbered courtesies and kindnesses came back upon her in ever-increasing volume. Her friendships extended far beyond the confines of her own church fellowship. During her illness it became impossible to keep trace of the flower gifts that constantly filled her rooms, the multitude of delicacies to tempt her failing appetite and the daily greetings of love and sympathy through the mail and telephone. She was conscious, too, and greatly rejoiced in the fact that for her a great company was praying.

She wanted to live, because there was much to live for. But she was prepared to go. She knew in whom she believed. She found the Christ, whom she had often commended to others all sufficient and inexpressibly precious as the end approached. She quietly gave some directions concerning her funeral and requested to be buried here amid the associations and surroundings that had become increasingly dear to her as the years passed.

She is survived by her husband and son George Henry, and her father and two brothers. Funeral services were held at Mitchell, South Dakota, August 9, 1917, conducted by District Superintendent Dr. J. S. Harkness, assisted by District Superintendents Dr. W. S. Shepherd, Rev. P. O. Bunt, Rev. G. W. Rosenberry, also by Dr. Wm. D. Schermerhorn, President of Dakota Wesleyan University; Dr. J. P. Jenkins, Vice-President and Dr. C. V. Gilliland, Dean of Dakota Wesleyan; and Dr. G. T. Notson, Executive Secretary of the Methodist State Hospital at Mitchell; Rev. R. N. Holsapple, Superintendent of the Anti-Saloon League, and the Rev. C. B. Harrold of Groton, South Dakota.

#### ANNIE HIRST KAYE

Annie Hirst Kaye was born in the County of Hampshire, England, March 25, 1863. She was married to the Rev. Mr. Kaye, June 12, 1886. In February of the following year they came to America and lived in the State of Kansas for five years. After spending a year at Garrett Biblical Institute, Evanston, Illinois, the family moved to Dakota in 1893. For twenty-four years the Rev. Mr. Kaye has been a member of the Dakota Conference of the Methodist Episcopal Church, serving pastorates at Wakonda, Hurley, Hartford, Valley Springs, Howard, Alpena, Garden City, Scotland and Kimball.

After an illness of less than a week Sister Kaye died August 11, 1917. Besides her husband, Mrs. Kaye is survived by five children: Albert, Superintendent of Schools at Iroquois; Mrs. Lars Grinigar of Hudson, Emily, a graduate of Dakota Wesleyan Normal Department; William, member of Troop E, First South Dakota Cavalry, and Mabel, who is at home. Three brothers and three sisters live in England. Sister Kaye was a devoted Christian, faithful in all the multiplied duties of a wife

and mother, and a true helpmeet to her husband in his work. Floral offerings, marks of the esteem in which she was held, were sent from various charges where they had served. Troop L of Kimball attended the funeral and escorted the remains to the cemetery. Troop E of Mitchell sent a beautiful wreath of flowers.

Funeral services were conducted by the Rev. J. S. Harkness, D.D., District Superintendent, assisted by the Rev. O. M. Hyde and the Rev. G. D. Egner, neighboring pastors. Burial was made at Kimball, South Dakota.

## VIOLA B. GARLAND BROWN

Viola B. Garland, daughter of D. H. and Elizabeth Garland, was born in Ringgold County, Iowa, June 7, 1885. She was married to the Rev. L. F. Brown, June 7, 1911. This union was blessed with one child, Opal Elizabeth. About seventeen years ago she was converted under the ministry of the Rev. W. H. Larrick, and immediately united with the Methodist Episcopal Church. After her marriage she went with her husband to their parsonage home, which was first at Waubay, South Dakota, where they labored for two and one-half years. Following this they served the Northville charge two years, and after one year at Davis they moved to Harrisburg, one year ago. In all of these charges she left the impress for good upon the hearts and minds of all with whom she came in contact.

After months of suffering Mrs. Brown passed into the home beyond on February 19, 1917. She leaves her husband, child, father and mother, four sisters and six brothers to mourn her loss. Funeral services were held at Harrisburg, conducted by the Rev. J. S. Harkness, D.D., of Mitchell, assisted by the Rev. Eugene Allen, DD.., of Sioux Falls. Memorial services were held at her old home at Ellston, Iowa, Sunday, February 25, and the burial took place at Boone, Iowa.

#### JOY MARY SHURTLEFF

Joy Mary Shurtleff, daughter of the Rev. Sidney H. and Erma S. Shurtleff, was born in the East Side parsonage, Sioux Falls, South Dakota, April 24, 1910. The Saviour took her January 19, 1917, from the parsonage home in Tyndall, South Dakota, after six days' illness, aged six years, eight months and twenty-five days.

She came to Tyndall with her parents when two and one-half years old, and by her joyous temperament made every one she came to know her friend.

She was baptized by Bishop Luccock at the Conference session held at Redfield. She remembered this event and often spoke lovingly of the Bishop. She entered the public school January 24, 1916, and was in the second grade when she passed away.

The funeral services were conducted at Tyndall by the Rev. G. T. Notson, D.D., of Mitchell, Sunday afternoon, January 21, 1917, and not-

withstanding one of the worst storms of the season was prevailing without the church was packed to the doors with sympathizing friends and parishioners, who did all within their power to lighten the stroke that had fallen upon their beloved pastor and his wife.

Joy was most appropriately named. Her brief but beautiful life was an occasion of joy to all who knew her. She was of a deeply religious nature, and her clear apprehension of spiritual truths was a constant marvel to those who knew her best.

To her the Saviour's presence was very real, and her prayer life was inspiring and uplifting, free from cant phrases and forms. Such is the meager story of a beautiful child life, which holds within its memories suggestions and hopes dearer than life itself. Of such is the Kingdom of Heaven.

# The Methodist Deaconess Hospital

RAPID CITY, SOUTH DAKOTA

# The Growth of this Institution is Indicated by the Following Comparative Report:

	FIRST YEAR	FIFTH YEAR
	TEAR	TEAR
Valuation of property	\$21,000.00 25	\$46,500.00
Number of pupils in training school	5	18
Number of patients treated	230	
Patients receiving free service	13	65
Patients paying in part		57
Patients failing to pay anything .		27
Number of births	15	37
Number of deaths	22	16
Number of surgical operations Services rendered Methodist Ministers	202	633
and families		\$667.75
ilies of other denominations		498.33

Our friends must remember that in spite of the large increase in every way in the usefulness of the Hospital, the running expenses of the Hospital are much greater than the corresponding increase of patronage.

In addition to increased expense, we are feeling very acutely the neglect resulting from the numerous worthy outside charities. Our friends must realize a home need or our work must suffer.

OUR NINETEENTH YEAR =

NE HUNDRED AND FIFTY-FIVE MILLION DOLLARS (\$155,000,000.00) is a pretty large sum even in these days of big things and yet the amount of protection we have granted in our nearly nineteen years of history exceeds that; over THIRTY-NINE AND THREE QUARTER MILLION (\$39,750,000.00) is now in effect, by far the largest amount since we began business. No policyholder has had to wait a day for a dollar that was due and unpaid for losses, although our losses have aggregated over ONE MILLION DOLLARS (\$1,000,000.00).

Churches, Parsonages, their contents, Schools, Ministers' Property and the Home Property of the people who build and sustain the churches are insured against Fire, Lightning and Windstorm AT COST.
